CLASS PROPHECY

During our high school days, Joan Bartley, Dorothy Dunn, and I, Alma Cress, had always dreamed of owning our own ranch in Texas and raising race horses. Our dreams were finally fulfilled, and we are living on the "BCD" Ranch, near Dallas.

Ranching isn't all we do - - Joan is supervisor of a large Veterans' Hospital in San Antonio, and Dorothy is very busy as head of the Home Economics Department in Dallas. As for me, I'm secretary for one of the National League baseball teams. Finally after ten years, we are established and are wondering what the rest of the Class of '52 have done for themselves, so Joan and I decided to return to Illinois. Since Dorothy was too busy to get a vacation, we planned to leave the next morning without her.

Before we left we gave out final instructions to our two trusting foremen, Bob Storm and Carl Helton, who settled in Texas after being discharged from the Army. Oh, yes, they do a little work around the ranch when they're not busy courting those two Southern Belles - - Catherine Carman and Geneva McDermott.

So we packed our clothes and left by plane; after we got our bags put away and were comfortably settled, we heard a noise from the back that sounded exactly like a politician practicing an important speech. We couldn't help but stare, and presently we recognized this character as Senator Garrett, that popular congressman from Illinois. Since we had gone to school together, we soon joined him and much to our joy, he told us he was running for President in the next election - - and were we ever surprised to learn that he was a bachelor! "No time for women," he informed us. He started on his speech again, but decided he needed refreshment, so he called for the stewardess. A beautiful blond came forward with a tray and gently served him. But wait! We know her - - it's Barbara Sims. Senator Garrett blew her a kiss and started his speech once more.

By this time we decided to go back to our own seats and talk a while. Joan said that she'd had a letter from Joy (Helton) Duckett a few days ago saying that she, Bill, and their two little girls were now living in Shelbyville, and Bill owned his own grocery store. Joy said she was helping with the Saturday rush a few weeks ago when in walked Tom Maxedon, tired and hungry, and ordered his weekly groceries which consisted of pork and beans and spinach. Each Saturday he keeps declaring he's going to ask some girl to be his bride so she will do his cooking for him, but he's so tired after digging ditches for the Neal & Maloney Wrecking company all week that he just hasn't the energy to ask any girl to marry him.

Joy also wrote that Nellie Tipton is now in Belgium, lavishly spending her stacks of money which she received from royalty on the book she wrote - - "How to Grow Muscles." Columnists report there is a romantic angle between her and the Duke of Bobhopia.

CLASS PROPHECY

By this time we were landing in Chicago, so we called for a taxi and who should be driving it but Gordon Rees. Gordon had been in the Marines, but was now retired and was driving taxis for a pastime. He said he's liked the taxi service since high school days! He told us that these super-luxurious atomic taxis were invented by that old Windsor genius - - Monk Meyers.

We finally arrived at Union Station and got on the train bound for Mattoon, and there across the aisle sat Pat McQueen. She, too, was a nurse and now married to a handsome Italian; they were soon going back to Italy to spend their better days.

While we were waiting for the train to take off, down the aisle came a neat-looking couple with four cute kiddies, and as they came nearer we saw that it was Melvin and Shirley (Finley) Krile and family. They had been to a Farmers Convention in Chicago and were returning to their farm near Windsor.

We had a long visit with them, and Melvin told us that he had a card from Jim Goddard about a week ago saying he was promoted to the highest rank in the Navy. He also informed us that John Allen had been married for three years to a Shelbyville girl and that they now had twin boys. John is a very successful veterinarian and has his own big business near Middlesworth.

We asked them how basketball was progressing around Windsor, and they told us the Blue Devils were state champions - - but why not? They have that ex-star of '52, Marlon Cordes as coach - he has a five year contract with W. H. S. and in his spare time he builds hot-rods.

And what happened to Marlon's cousin Eugene Zimmer? Well, this is sad, but Melvin gently told us that he is a professional gambler and the last time he saw Eugene, he was wearing a barrel - - he had lost his suit in a big chess game! But with the help of his Mattoon girl, maybe he'll come around.

We asked Shirley what Marie Nolen was doing these days, and she replied, "She is special instructor of square-dancing at the Windsor schools. She's engaged to a square-dance caller in Florida - - plans to be married in June."

The train pulled into Mattoon a few moments later, and as we were walking down Broadway, Joan decided that she was hungry. So we stopped in at an ultra-modern night-club "The Casanova" and noticed that it was operated by Mr. and Mrs. Charles Doehring (Mrs. D. being the former Phyllis Morrison.) It was just about time for the floor show to begin and who should first appear but "Crooning" Carroll Clawson, the bobby-soxers' dream man, warbling the "Atomic Blues." His number was followed by Patty Doty, that famous song-and-dance girl, who had been a great smash hit on Broadway in New York City. Pat, now in Mattoon on vacation, was the feature attraction at the "Casanova"; she explained that she was just doing it as a favor to her old friends.

Helen Joyce Helton Duckett
 "Joy" — "These little things are great to man." Class treasurer 3; FHA 1, 2, 3, 4; Chorus 1, 2, 3, 4; Junior play.

Melvin Charles Krile
 "Krile" — "Men of few words are the best men." FFA 1, 2, 3, 4; Stage manager, Junior play; Basketball 1.

Francis Patrick Maloney
 "Francis" — "He's not of many words; his deeds speak louder." FFA 1, 2; Chorus 4; Junior play.

Thomas Maxedon
 "Tom" — "Without my mischief I couldn't be myself." Class treasurer 4; Secretary 3; FFA 1; Stage manager Junior play; Baseball 1, 2; Basketball 2, 3.

Hollice Geneva McDermott
 "Geneva" — "It's as great to be a woman as to be a man." Chorus 1, 2, 3, 4; Usherette, Junior play.

Robert Eugene McKenzie
 "Bob" — "Don't judge me for the noise I make." Effingham H. S. 1, 2, 3. Circulation manager, Pow Wow; Basketball 4.

Patricia Eilene McQueen
 "Pat" — "That is as well said as if I had said it myself." Attended WHS as a freshman, transferred back as a Junior. Assistant sports editor of Pow-Wow.

Earl Edward Meyers
 "Monk" — "I wish the fellow who invented work had finished it." FFA 1.

Phyllis Dianne Morrison
 "Philly" — "The city has its pleasures, but it's rural boys for me." FHA 1; Band 1, Chorus 1, 2, 3, 4.

Darrell Gene Neal
 "Skeeter" — "Greater men than I may have lived, but I doubt it." Business manager, Pow-Wow; FFA 1, 2, 3, Sentinel 2; Chorus 1, 2; Junior play; Basketball 1, 2.

CLASS PROPHECY

We stayed overnight in Mattoon and saw the sights; bright and early the next morning Joan insisted that we go shopping, so we went to Mattoon's largest department store. As we were passing the manager's office, we saw the assistant manager perched on the manager's knee - - whispering sweet "nothings" in his ear. "I thought I recognized the assistant manager," commented Joan, "why it's Hazel Ferguson - - imagine!"

We shopped awhile, and since it was getting rather late in the morning Shirley and Melvin were ready to start the journey to Windsor, and invited us to ride along with them. (Naturally we accepted - - it would save bus fare!) When we arrived at our destination, they bade us farewell and left for their little home in the country.

As we started up Main Street, we noticed some new buildings had been erected, and one of them was a Farm Advisor's Office. As we drew nearer the door, it opened and out walked a distinguished-looking man whom we recognized as Kenneth Walker. We stopped for a moment to chat, and he told us that after winning various F.F.A. honors, he was appointed County Farm Advisor. He said he was on his way to see Lloyd Elson who is raising grand-champion Holsteins. Lloyd is married to a sweet, young girl and they have triplet girls. "Quite a surprise" we agreed since Lloyd was such a woman-hater in his earlier days!

Kenneth murmured that he was sorry but he simply had to be on his way, so Joan and I started ambling toward the swanky Windsor Hotel. At that very moment a messenger boy came darting forward with a telegram:

"Horses being rustled. Culprit caught. Come home immediately. D. Dunn"

We were sorry that our vacation had to be cut so short, but we had to rush back to those priceless horses.

We took the first "jet" back to Dallas and arrived a half-hour later at the airport. Dorothy was there to meet us, and she was all excited. She said that character named Robert McKenzie, a distinguished lawyer in these parts, had been caught loading our horses and selling them across the border as first-class Mexican stew. At present, he is in the clink, passing the time by reading comic books which tell how the fugitive escapes. We aren't going to make the charges too serious, though, since one of the old maids had a personal interest in him during her Senior year at W. H. S.

My! after all this excitement we're due for another vacation, but at least we found out what all the Class of '52 are doing these days. We're all leaving for Australia next week, for a quiet three weeks, so - - Happy Landings!

THE END

The decorations included: a blue false ceiling which resembled the bottom of the water, balloons decorated as fish, Davy Jones' Locker, a mermaid, sand, rocks, seahorses, etc.

Fish were used as the shapes of the place cards while seashells were used as the shapes of the programs.

The women of the Methodist Church prepared the food and the Sophomore girls served.

NATIONAL TRAIL CONFERENCE TOURNEY

In the National Trail Conference Tournament at Beecher City, Windsor met Beecher City in their first game and were defeated 54 to 41.

SHELBY COUNTY TOURNEY

The Shelby County Tournament was played at Stewardson-Strasburg this year. In the first game of the tournament we met Shelbyville. After an exciting first half, the score was tied up, but in the second half the Shelby Rams pulled away and defeated us by a score 69 to 47.

REGIONAL TOURNAMENT

Windsor met Arcola in the first game of the Regional tournament in Mattoon. The Windsor boys played an inspired game and defeated the Arcola team 55 to 51 after leading throughout the entire game. At the half the score was Windsor 23, Arcola 21. Marlon Cordes scored 27 points, his second high per game for the year.

As winner of the Arcola-Windsor game, the Blue Devils played the Mattoon Green Wave in the semi-finals. Suffering a "cold" night, all except Hickman, who scored 16 points, the Blue Devils lost the encounter 74 to 43, and this ended the 1951-1952 season.

BASKETBALL

Windsor vs. Stewardson-Strasburg

In the Blue Devils first game, they tangled with a strong Stewardson-Strasburg quintet and were defeated by a score of 64 to 46. After a low-scoring first half, the S-S Comets came back in the second half to gain their victory margin. Cordes and Goddard were high-point men with eight points each, and Hickman followed closely with seven.

Windsor vs. Findlay

Windsor's next game was with Findlay at Findlay. Even with two tall boys who could outreach Windsor's tallest player, Findlay was able to beat us by only six points, 53 to 47. Again Cordes and Goddard were high scorers with 18 and ten points respectively.

Windsor vs. Shelbyville

Our game with Shelbyville ended with the score of Shelbyville 63, Windsor 48. The game was a hard-fought, hard-to-get victory for Shelbyville as the Blue Devils made them earn every point they dropped through the net. Bob McKenzie netted 14 points for scoring honors, and Cordes followed with nine.

Windsor vs. Beecher City

The Beecher City team fell before the powerful onslaught of the Windsor Blue Devils here in our second conference game. Cordes scored 18 points, and McKenzie scored 17 to lead the scoring for Windsor which resulted in a 61-53 victory.

Windsor vs. St. Anthony

St. Anthony was the scene of Windsor's second win as the team rolled along. By defeating St. Anthony 44 to 38, the Blue Devils continued their winning streak. Again McKenzie and Cordes led the scoring; McKenzie with 15, Cordes with 12.

Windsor vs. Tuscola

Tuscola was added to Windsor's list of triumphs in the next game of the season. By defeating Tuscola with a 57-54 score, the Blue Devils raised their victory record to three in a row. Cordes was high scorer with 18 points, and McKenzie followed closely with 14.

Windsor vs. Effingham

Effingham brought Windsor's winning streak to a halt by winning over them 57 to 43. The game was played in Effingham's gym before a capacity crowd whose voices nearly shook the rafters. Cordes, Goddard, and Hennigh led the Blue Devils' scoring attack with ten, eight, and eight points.

Windsor vs. St. Elmo

St. Elmo handed Windsor a conference defeat when they outscored us by nine points, 56 to 47. Cordes's 19 points and Hennigh's 11 were high for the Windsor lads, but they just weren't quite enough.

Windsor vs. Sullivan

Windsor fans who witnessed the Sullivan game here just before Christmas were sure that Windsor's luck was turning. The Blue Devils played as if inspired and gave the Sullivan Redskins, who were leading in their conference, a scare before we tumbled before the height and speed of the Sullivan team, 72 to 62. Cordes, Hickman, and McKenzie scored more than half of Windsor's points; Marion with 17, and Jerry and Bob with 11 each.

Windsor vs. Neoga

Neoga came to Windsor and was defeated by a score of 55 to 42. Windsor outplayed, outfought, and outscored them all the way. Cordes netted 19 points, and McKenzie, 12.

Windsor vs. Beecher City

Journeying to Beecher City, the Blue Devils succumbed to a 56-44 defeat as Beecher City avenged their earlier loss. Cordes with 11 points and Eugene Zimmer with eight led the scoring that night.

Windsor vs. Beecher City (National Conference Tournament)

The following Monday Windsor again traveled to Beecher City to play Beecher City, this time in the National Trail Conference Tournament. And the outcome was similar to the one before as Beecher City chalked up a 54-41 win. Cordes's 20 points was the high for Windsor.

BASKETBALL

Windsor vs. Cowden

Cowden's conference-leading quintet defeated Windsor 49 to 38 as they held McKenzie to 11 points and Cordes to ten.

Windsor vs. Stewardson-Strasburg

Windsor got off to a bad start in Stewardson-Strasburg's new gymnasium and lost a low-scoring game, 46 to 32. Cordes in this game netted 13 points.

Windsor vs. Findlay

Featuring a well-balanced scoring attack and leading until the last few minutes, Windsor narrowly missed upsetting Findlay, who just the week before had won the county tournament. Goddard with ten, Cordes and McKenzie with nine, and Hickman with eight led the Blue Devil attack which ended in a one-point victory for Findlay, 50 to 49.

Windsor vs. Neoga

When Windsor visited Neoga we easily won the game. After leading throughout the game and holding Neoga scoreless for the first four minutes, the Blue Devils ended the game with a 33-point victory, 67 to 34. Cordes and McKenzie led with scoring attack with 17 and 16, respectively.

Windsor vs. Teutopolis

After being outscored in the first half, Teutopolis came back in the second half to defeat Windsor 72 to 59 in a conference game. Cordes scored 22 points, and Hickman scored 12 to lead the scoring for Windsor.

Windsor vs. Brownstown

Brownstown was the scene of Windsor's sixth victory. The Blue Devils led throughout the game and were victorious by a 53-49 score. Cordes bagged 12 field goals and six free throws for scoring honors for the game. His 30 points are the highest scored by one individual in one game this year.

Windsor vs. Sullivan

In a real thrill including an overtime Sullivan finally managed to tie and then defeat Windsor. After trailing for more than three quarters, Sullivan rallied and achieved a two-point lead to win the game, 48 to 46. Cordes was high point man with 14, and Hickman and McKenzie followed with 13 each.

Windsor vs. Altamont

In our last conference game, The Blue Devils trounced the Altamont Indians 61 to 48. Until the middle of the second quarter, the outcome was in doubt, but the Windsor boys began hitting and maintained a comfortable lead throughout the second half. Cordes led the scoring for Windsor with 17 points, and Hennigh followed with 16.

Windsor vs. Shelbyville

The Blue Devils met Shelbyville in the last game of their regular season and were defeated 79 to 51. Cordes was high point man with 11, and Hickman followed closely with nine.
