## *In Memory of Our Friend*

ARLIE ALLEN FERRELL  
March 28, 1941 - June 11, 1958

The students and faculty of Windsor High School were saddened at the loss of their friend and classmate, Arlie Ferrell.

Arlie participated in many community activities. He was a member of the Windsor Christian Church. Another important activity was his interest in 4-H Club work. He also had a special interest in horses and was well known for his showmanship and riding abilities. These abilities enabled him to win many honors and trophies.

For 11 years he was a student in the Windsor Community Schools, during which time he made many friends. While attending high school, he belonged to many school organizations, participated in most school activities, and achieved a high scholastic standing.

The words of John White Chadwick express the feelings of all of us who knew Arlie:

'Tis hard to take the burden up  
When these have laid it down;  
They brightened all the joy of life,  
They softened every frown;  
But, Oh, 'tis good to think of them  
When we are troubled sore!  
Thanks be to God that such have been,  
Although they are no more.

We humbly dedicate our book in memory of our classmate, Arlie.

Halls of Windsor High School  
Beginning of School Year

Dear Faculty and Students,

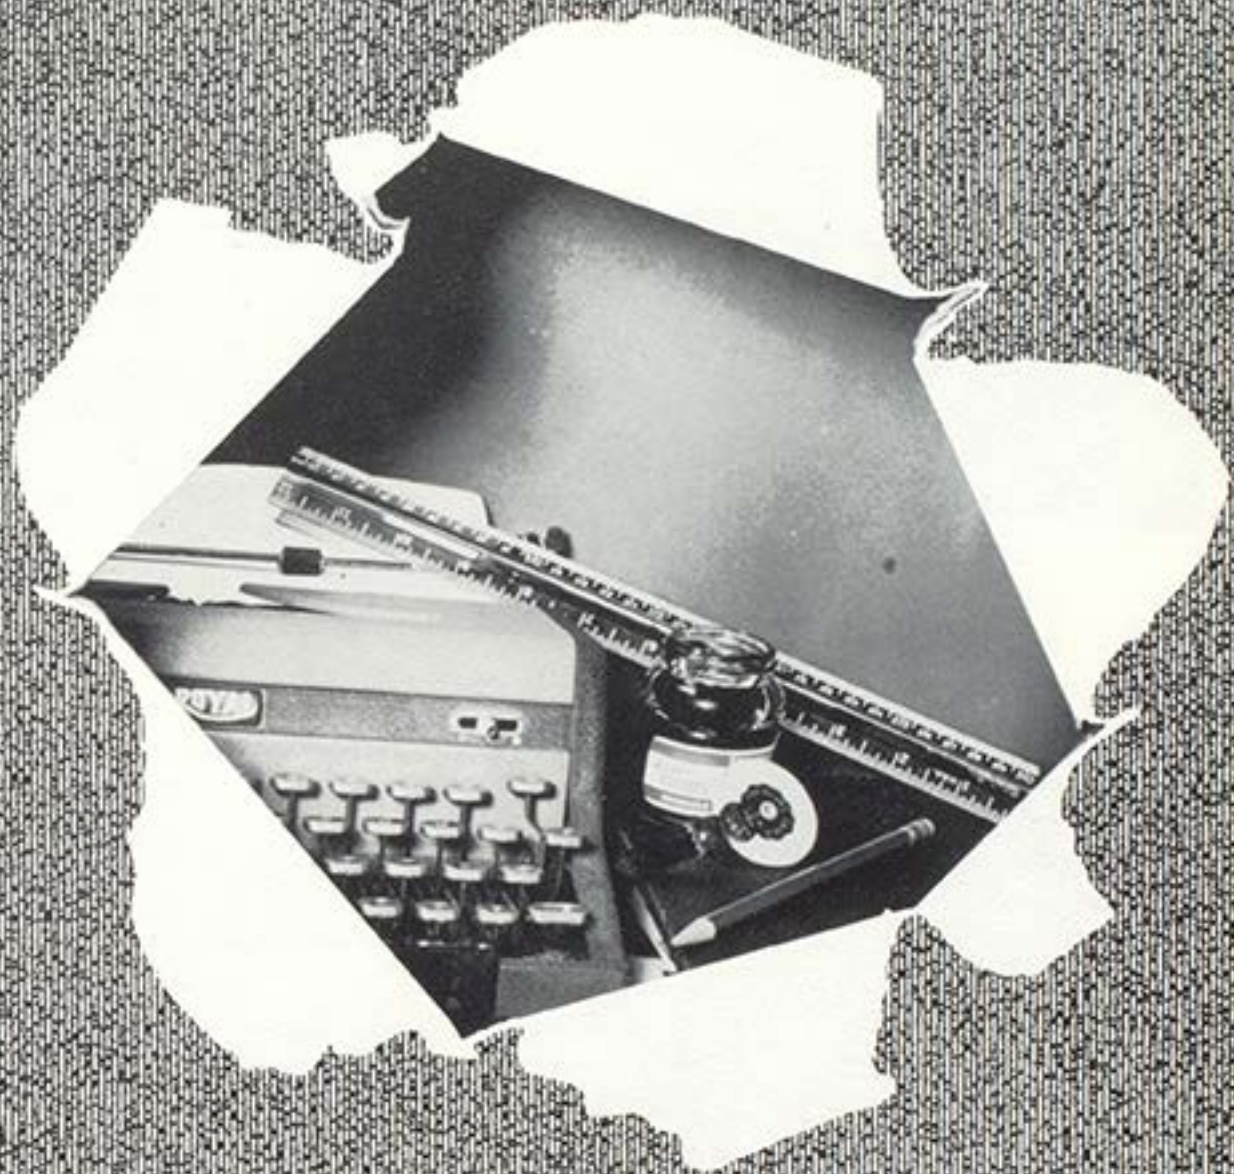

Jump into your jalopies and rip through the time barrier with us by taking a few quick glimpses into the future...The faculty is back in tip-top shape ready with new ideas, and the students are ready with pencil and paper in hands...The school has officially begun...Now what??? Books will be set aside as everyone busily prepares to attend the dances which will be held after the Blue Devils' victorious home basketball games... Members of the various clubs will be scurrying about outlining their activities for the new school year... Band members will be complaining of sore feet as they complete a practice marching maneuver... Life at W.H.S. has its ups and downs, so why not turn the page and watch the story unfold?

Mr. Zabel, Advisor, and Connie Cooper, Acting Principal, begin routine office duties on Student Control Day.

Each year the Student Council provides for a student control day. The Student Council President acts as the principal, and students teach classes. Students must be or must have been in that class to be chosen by the teacher.

The purposes of Student Control Day are to further interest in the teaching field, to give students a different outlook on teaching, and to develop and encourage leadership and citizenship through student participation.

## F.H.A. "Trick or

The Future Homemakers of America was started in 1946 by Miss Gwendolyn Hammer. Since this time there have been three advisors: Mrs. Earlene Cimo, Mrs. Wanda Bell, and Mrs. Mary Brown.

Before 1946 this organization was called the Home Economics Club. It then accepted red and white as its colors, "Toward New Horizons" as its motto, and eight purposes as its goals for the National Organization of F.H.A.

The chapter mothers act as chaperones during the year and give help on outside projects. This year for the first time chapter fathers were also recognized. The chapter parents are Mr. and Mrs. Carl Cooper, Mr. and Mrs. Virgil Grabb (Jr. -Sr. Chapter), Mr. and Mrs. John Jones, and Mr. and Mrs. Harold Bullerman (Fr. -Soph. Chapter).

# Treat" for U.N.I.C.E.F.

One of the outstanding activities during the year was "trick or treating" for United Nations' Children's Fund, for which was collected \$51.00. Other social activities during the fun-packed year were: a Christmas party for pre-school age children, at which Santa Claus appeared; participation in F.H.A. week; and the annual Sweetheart Ball, which was held March 14 at Oakland.

"Teenage Consumer," a national project this year, was carried out in the programs. In connection with this project, Naomi Hardwick (Jr.-Sr. Chapter) and Wanda Rentfrow (Fr.-Soph. Chapter) were selected to participate in a tour of Linn-Scruggs and Osgood's Dress Factory in Decatur. The delegates gave interesting reports on the tour at a local meeting.

Miss Hebert, Advisor, displays one of the several bulletin boards which she assembled.

The Girls' Athletic League has many activities which help create enthusiasm in school. They go bowling twice a month, have night meetings at which they do gymnastics and play various games, and sponsor one dance during the year. For this year's projects, they have sold Windsor Blue Devil pennants and G.A.L. sweatshirts.

The G.A.L. is a local organization which was started in 1958 to replace the former club, G.A.A. They have set up their own constitution and point system in which points are given for various activities. Those earning enough points receive letters.

Miss Eddings, the Advisor, displays some of the baskets she purchased while in Mexico.

In the fall of 1955, El Círculo Español (The Spanish Circle) was organized by Miss Eddings with Dorothy Twitty as president. The succeeding presidents have been Judy Hester, 56-57; Ronnie Denham, 57-58; Lynn Horn, 58-59. Our club has grown from twenty-five members to the present membership of fifty-three.

The purposes, devised by the 1956-57 organization, are to acquaint Spanish students with the history and customs of Spanish-speaking people and to promote an interest in the Spanish language.

## *in the Spanish Language.*

This year's theme, the life and customs of Mexico, has been followed in the monthly meetings. Some of the different fields covered in these programs were food, clothing, music, sports, education, and markets. The topics have been made more interesting by the many slides taken by Miss Eddings during her trip to Mexico last summer.

Social activities, such as a weiner roast and hayride, a Pan American Day party, a Valentine Day's party, and a Christmas caroling party filled the year with many laughs and much fun. We were extremely fortunate in having Isabel Nunziata, a foreign exchange student who is presently living in Mattoon, go caroling with us.

## Speech Club Presents One-Act Plays

The Spematic Club was organized the second semester of '57-'58 by Mrs. Flockhart with Susie Lovins as the first president. The name of this club comes from the combination of the words, SPEECH and DRAMATICS. Its purpose is to promote a further interest in speech and dramatics. Each member is required to earn fifty points a semester in order to remain in the club. He may earn these points by participating in the programs, taking part in plays or skits, or attending study classes.

This year the club members gave one-act plays and participated in speech contest. Other activities were choral reading, pantomimes, and study classes of various types. During the second semester Miss Wilson served as our advisor.

## Band Presents Concerts.

The Windsor High School Band presented a concert at a high school assembly and at a grade school assembly. Among its other activities, probably the most outstanding ones were two floor shows. The one which was presented at a ballgame consisted of three formations and several marches. The band marched into the traditional "W" for Windsor High, and "T" for Teutopolis, and an anchor to symbolize the march "Anchors Away." To end the show P. Shafer and D. Helton danced the Charleston as the band played "Five Foot-Two."

## *Seniors Prove "Love Is Too Much Trouble."*

Spring love on a college campus, as portrayed by the '58 seniors on the evening of April 25, is complicated and confused. A campus "hang out" cafe is the center of the hectic action which involves such schemes as drugging the dean of women, experimenting with suspended animation on the prom band leader, and disguising a male student as a girl in order to deceive the college president. The enactment of these schemes which leads to the expulsion of several students and the mass scramble for prom dates prove that love is too much trouble.

## School 1958

## Parties 1959

On December 30, 1958, the student council sponsored a New Year's Dance for the student body and alumni. Music was furnished by the "Rhythm Aces." The evening proved most enjoyable since everyone was able to see and talk to old friends.

"Green" freshmen were initiated into high school living with raw eggs, spaghetti, shaving cream, and flour. All freshmen and new students were required to dress as hillbillies.

During the school year each class sponsors a school dance party. This year everyone twirled at the senior "Hula Hop." "Harvest Moon" was the setting for the junior party. The sophomore and freshman parties had not been planned at the time of publication.

## *Devils Start Slowly,*

BILL EDWARDS, SS.

The team started slowly, gathered momentum, and finished with a rush. With only two or three seniors in the starting lineup, the team was inexperienced, but as the season wore on, the underclassmen got tougher.

Due to the experience gained this year, much is expected of next year's team. But seniors David Goddard, first base, and Marvin Honn, center field, must be replaced. Gene Kirk, who alternated in the outfield, is the only member who will be graduated.

JOE CURRY, 2B

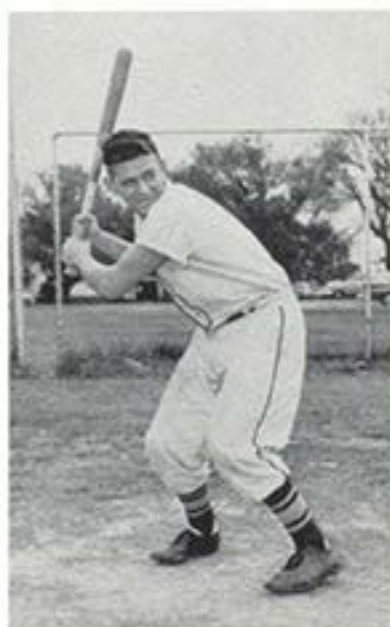

Lettermen who will return are Bill Edwards, shortstop; Bill Reynolds, pitcher and third base; Ray Tull, pitcher and third base; Linn Voris, catcher; Joe Curry, second base; John Griffin, outfield; Ronnie Morrison, outfield; Allen Bennett, outfield and second base.

## *Conference Title Captured by Blue Devils.*

This year our basketball team ranked as one of the best teams in the history of Windsor High School. Our team was considered by many to be one of the few outstanding teams in this area. The boys' record of 23-3 has been bettered by only one other Windsor basketball team.

Some of the highlights of the year were winning the Shelbyville Invitational Tourney for the first time since its inception last year, winning the National Trail Conference for the first time since becoming a member, and snapping the 62 game conference winning streak of the St. Anthony Bulldogs.

The starters, B. Edwards, Reynolds, Kirk, Honn, and Tull, made up a team which had the size, speed, and shooting ability necessary for a good ball club. Don Price did an outstanding job as the team's sixth man, often the most underrated but yet the most valuable spot on the team. Goddard and R. Edwards gave the team a strong bench.

Seniors Honn, Kirk, Price, Goddard, and R. Edwards will be missed next year. They contributed much to the success of this year's team.

Returning regulars Tull, B. Edwards, and Reynolds form a good nucleus for next year's team. Juniors Griffin and Voris will be pushing to break into the starting five--as will be the following sophomores: Bennett, Curry, Morrison, R. Edwards, Lawyer, Elliott, Hampton, and Huffmaster.

The Junior Varsity finished the season with a record of 11 wins and 9 losses. This must be considered a successful season since in most cases the opponents had the advantage of experience and size. The improvement of this group was outstanding; this should mean many more future victories for Windsor.

The freshmen and sophomores, playing a limited schedule, also had winning seasons.

## Cheerleaders

At the beginning of the year, eight cheerleaders were elected by the student body. The five varsity cheerleaders were Penny Siolas, Nancy Cole, Glenita Daubs, Alice Bennett, and Judy Grabb. The three on Junior Varsity were Shari Jones, Betsy Williamson, and Annetta Walker. Judy Grabb attended cheerleader camp during the summer, but all eight of the girls were able to attend cheerleader clinic in October.

Both camp and clinic were quite helpful. The girls, with their new and cute cheers, delighted the spectators.

## Miss and Mr. W.H.S.

The students of Windsor High participated in the selection of Mr. and Miss W.H.S. through the sale of season basketball tickets. One boy and one girl were selected from each class. Those chosen were Roslyn Fisher and Theron Newell, Seniors; Nancy Cole and Bill Reynolds, Juniors; Annetta Walker and Jon Phipps, Sophomores; Doris Helton and John Wiley, Freshmen. The winners were determined by votes cast by students who sold season tickets.

The sophomore class emerged victorious as Jon Phipps and Annetta Walker won a very close race.

Interest was also added to the contest by pitting the boys against the girls. Whichever team sold the least tickets planned and financed the Christmas party. The girls wish to thank the boys for the party.
