## BUILDING FOR THE FUTURE

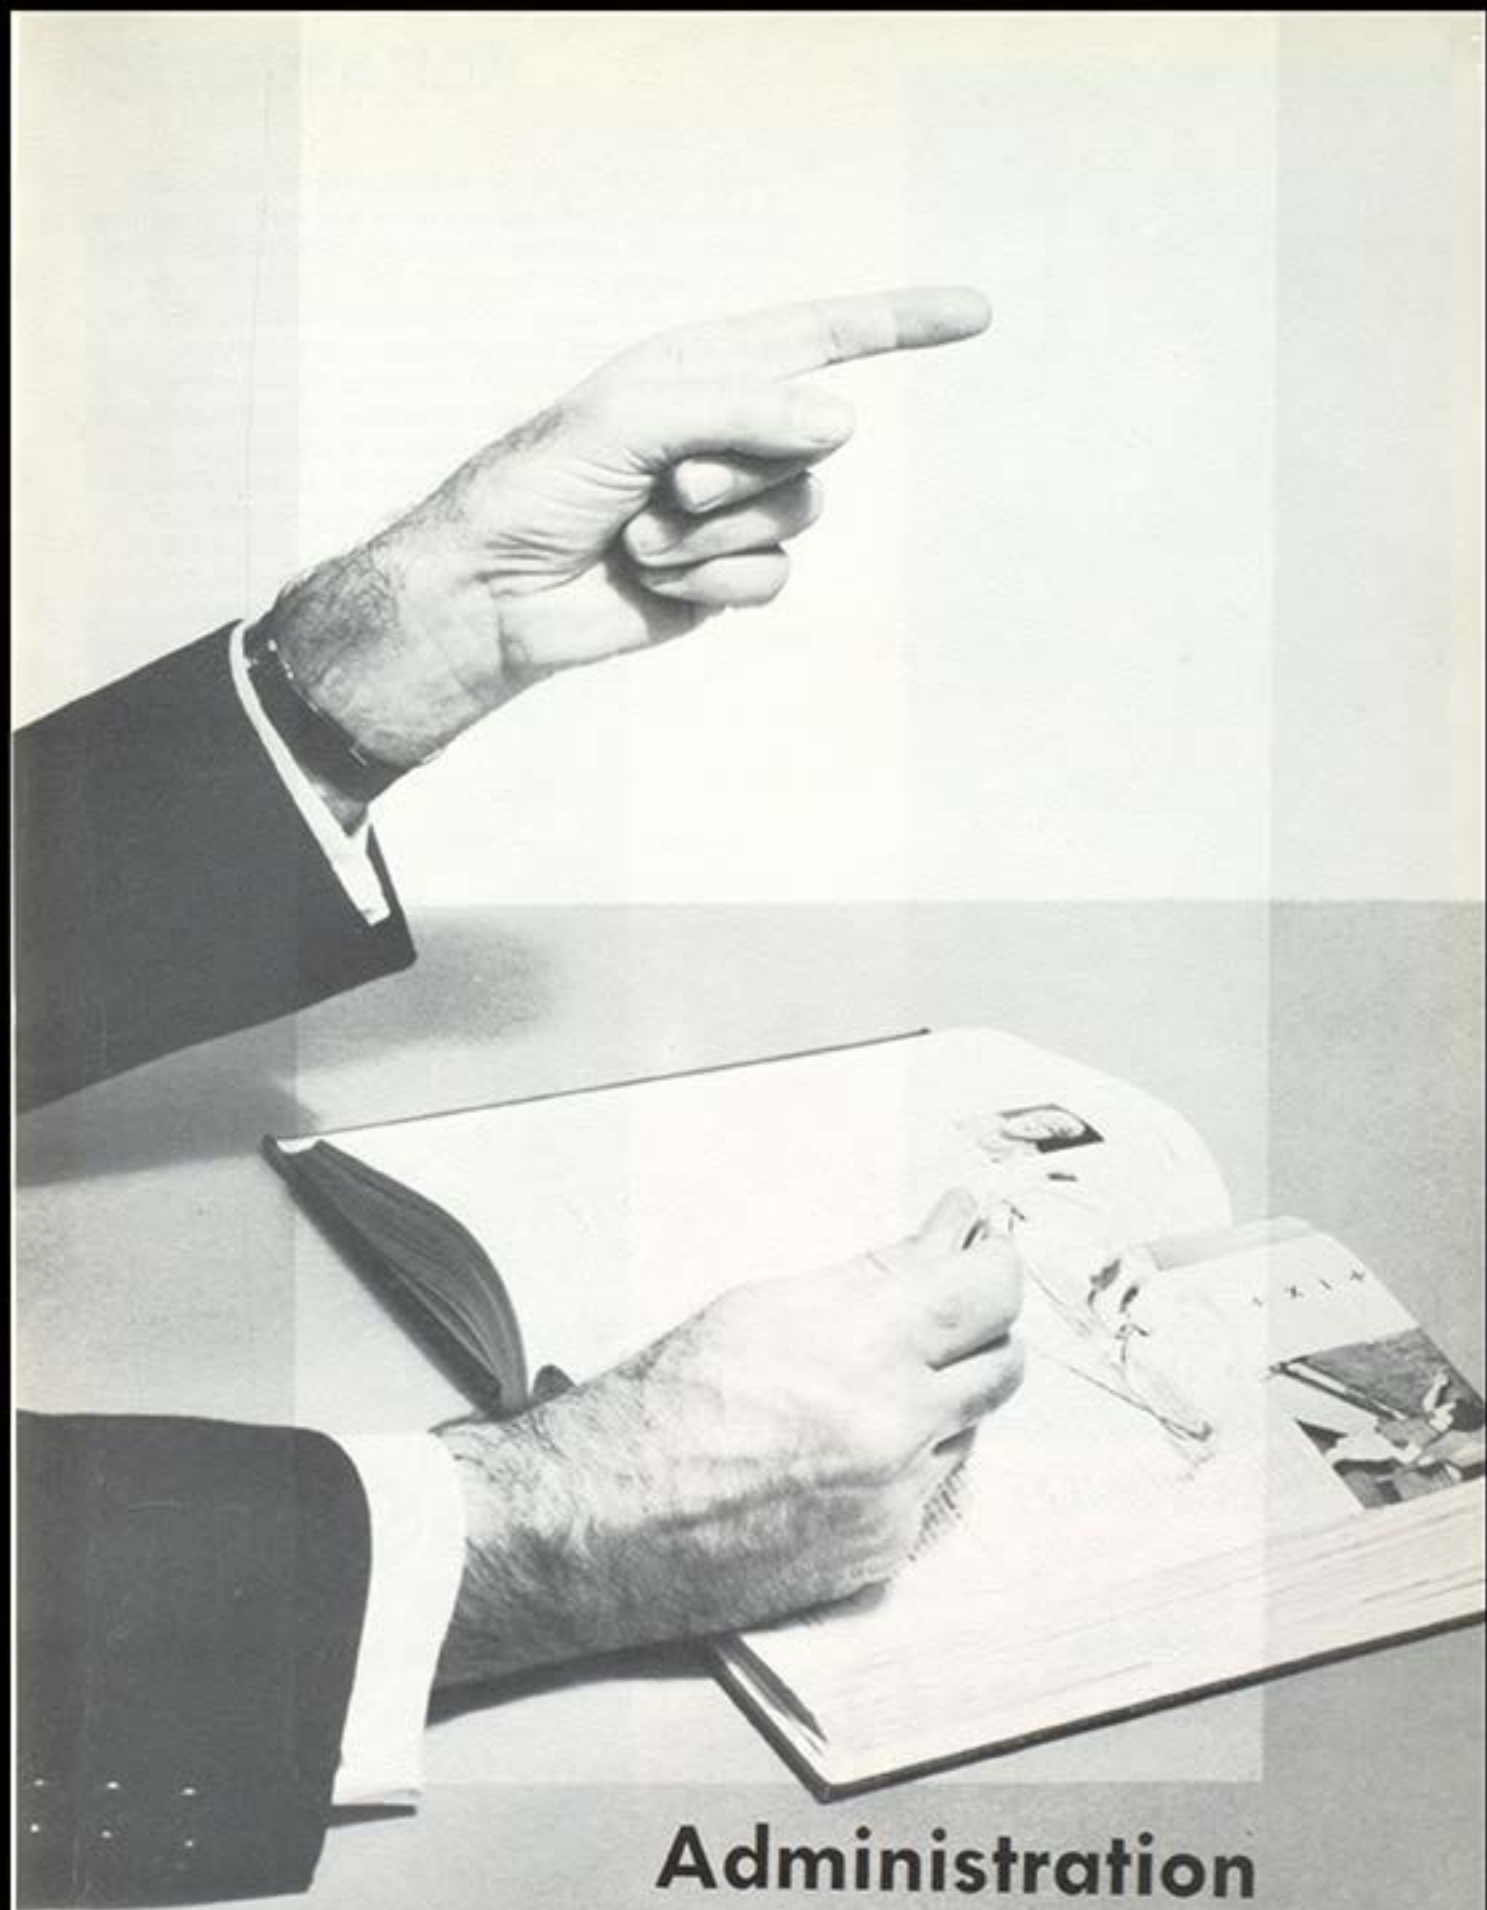

In this present day and age, we find ourselves planning and building for a bigger and better tomorrow. This is especially true at Windsor High School, for we have started a new addition to the school which will help accommodate more students and provide for the advancement of their education.

From the beginning, essential steps were taken to create this addition which will, in time, be completed and put to use for years to come. Plans were made, drawn, and structural work was begun. Soon these efforts, involving the minds and hands of many interested and concerned people, will reach a rewarding climax.

Our lives, too, are being built, altered, and rebuilt as we advance through this ever-growing world. By means of inventions and modern science, we find ourselves entering the doorway to an expanding universe. In order to know and understand the problems which face us, we must gain more knowledge and understanding of the world around us which we can obtain only through further education. Education will change and advance our ideals and concepts of life, and will direct our hands in building a more pleasant and rewarding future. Education is a building stone in life, beginning a never ending process of development. It should never stop. We must strive to better ourselves and this world in which we live, for we are the builders of tomorrow, and a better tomorrow we hope it will be.

For the structure that we raise,  
Time is with material filled;  
Our todays and yesterdays  
Are the blocks with which we build.

- Henry Wadsworth Longfellow

# ARCHITECTS

The Board of Education of Windsor High School is the foundation for the advancement of our education. Through their minds and hands have come the fulfillment of the dreams of this community.

All of the members are longstanding citizens of the area and therefore realize and understand the problems of our school unit. One of the most pressing problems has been the overcrowded conditions. To compensate for this, the board submitted, for the approval of the voters, a proposal which provided a satisfactory solution. From their plans and recommendations have come this new addition to our school.

MR. THOMAS BOTTRELL

MR. HARRY DOEHRING

MR. CHARLES WALKER  
President

MRS. CARL COOPER  
Secretary

# FOR EDUCATION

This group is responsible for many of the functions of the school. They formulate the basic rules and policies which serve as a guide for all. Setting the standards, administering finances, and hiring the personnel are among the more important duties which they discharge.

Mr. Charles Walker, president of the board, has been a member for eight years. Besides the school board, he devotes his time to farming and raising a large family.

Mrs. Carl Cooper is the secretary this year. She is very busy in the social activities of this community.

Mr. George Thompson and Mr. Harry Doehring are long-standing members of the school board. All are devoting time aside from their regular work to perform the duties of the Board of Education.

Mr. Fred Davis and Mr. Thomas Bottrell have given many years of service in the interest of education. As busy as they are, they still expend time and energy on behalf of the public.

Serving his first year on the school board, Mr. Robert Caspary contributes his interest and efforts for the benefit of the school unit.

Through their endeavors and hard work, they have supplied us with a blueprint for our education.

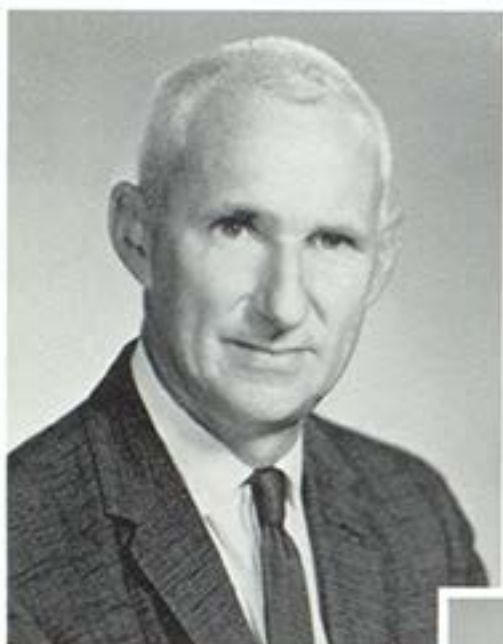

MR. GEORGE THOMPSON

MR. ROBERT CASPARY

MR. FRED DAVIS

## SUPERVISORS FOR SUCCESS

MR. RUSSELL CURRY

B.S., M.S.

Eastern Illinois University

University of Illinois

Although hard at work and deeply interested in supervising the functions and affairs of our school, Mr. Curry still finds time to lend a smile and a helping hand to students, faculty, and townspeople alike.

MR. ORRIS A. SENG

A.B., M.S.

University of Illinois

Through the performance of his administrative duties, Mr. Seng aids students in their achievements in high school and guides them toward success in the future. Moreover, in chemistry and physics classes, he contributes to the building of knowledge, and in his capacity as advisor to the student council, he assists in the building of character.

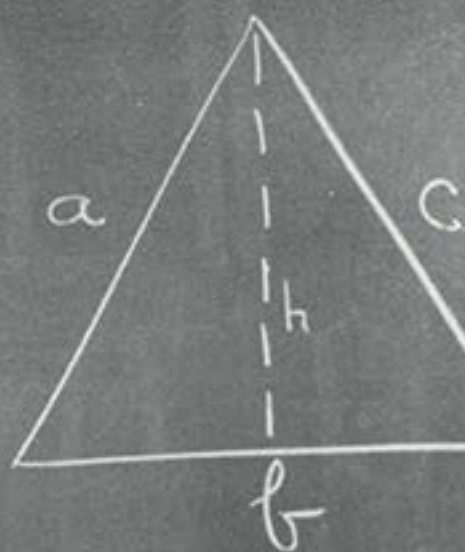

MRS. HAROLD BULLERMAN

Unit Secretary

Behind the scenes, but ready and willing to help anyone, is our secretary, Mrs. Bullerman. Her ability to unravel financial tangles and her efficiency in secretarial work make her a valuable asset to our school.

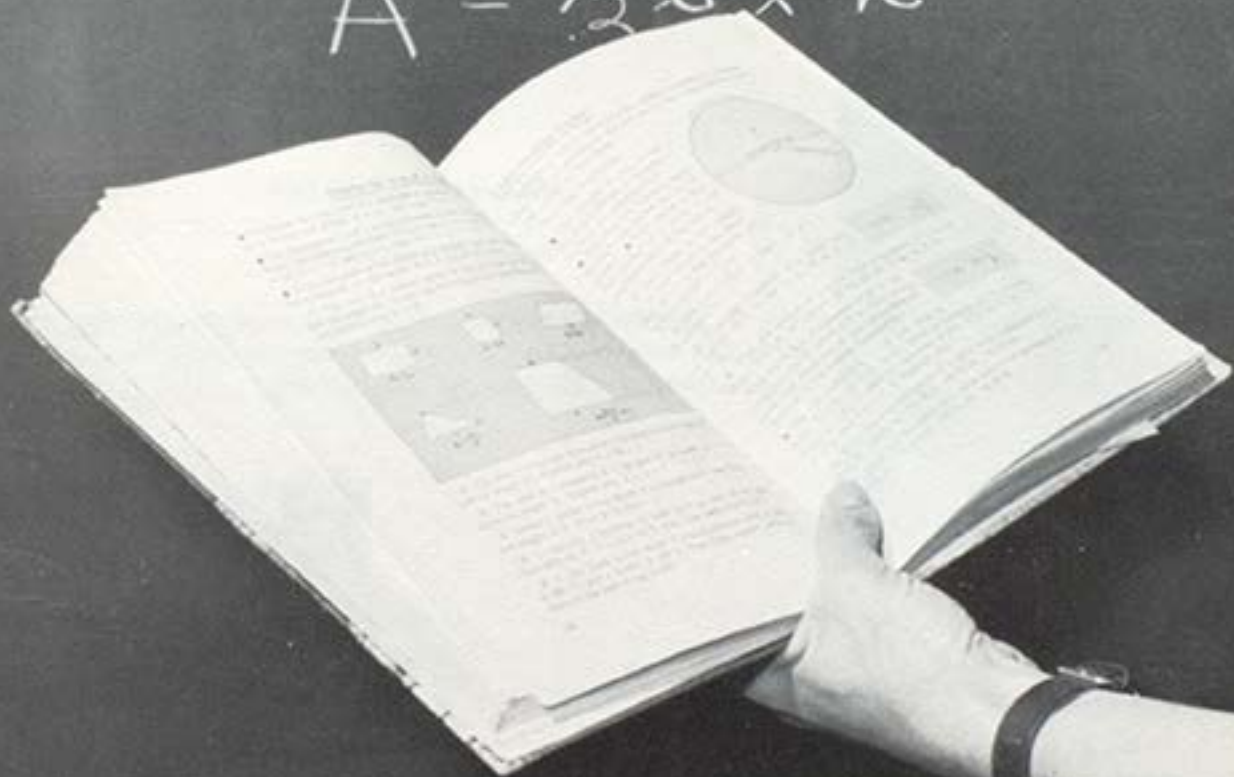

$$P = a + b + c$$

$$A = \frac{1}{2} b \times h$$

**Faculty**

MR. JIM HULL  
B. S.  
Eastern Illinois University

Mr. Hull instructs the students of W. H. S. in the important subjects of world history, American history, economics, and geography. He is also the advisor of the sophomore class.

MRS. EMILY MARSLAND  
B. S.  
Northwestern University

Mrs. Marland is using the new audio-lingual approach, which employs the use of tape recordings made by native speakers, in the teaching of Spanish. This helps to train the students' ears to the language and to develop their accents. She also teaches junior-senior English and advises the Spanish Club and the yearbook.

MRS. MARY LOU CRALLE  
B. S.  
Eastern Illinois University

In Mrs. Cralle's business classes, the noise of the typewriters is seemingly unending. Besides typing, she also teaches bookkeeping, general business, office practice, and shorthand.

MR. LUTHER E. MARTZ  
B. S.  
University of Illinois

Mr. Martz, who teaches vocational agriculture, is kept very busy performing his duties as F. F. A. advisor. He coaches the various judging teams and helps his students to plan their agricultural programs.

# BETTER TOMORROW

MR. ROBERT BUCHANAN  
B.S. M.S.  
University of Illinois

Mr. Buchanan teaches general science and is the head coach of Windsor High's baseball, basketball, and track teams. His teams have always proved to be very successful. He is also the freshman class advisor.

MRS. NONA KELLER  
B.S.  
Eastern Illinois University

Mrs. Keller teaches speech and freshman-sophomore English. She is the Thespian advisor and also directs the junior and senior plays with excellent results. These productions have provided much entertainment for W.H.S. students and the community.

MRS. CAROL AUMANN  
B.S.  
Eastern Illinois University

Mrs. Aumann's school day is filled with many activities. She teaches girls' physical education and health and safety. She is also the cheerleader, G.A.A., and junior class advisor, as well as librarian.

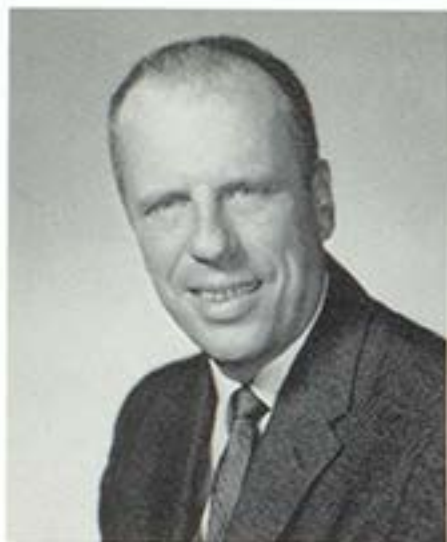

MR. GLEN L. THOMPSON  
B.S. M.S.  
Eastern Illinois University

Industrial arts is taught to the boys of Windsor High School by Mr. Thompson. His classes make many fine articles through the use of woodworking and welding. He is also the advisor of the senior class.

# MOULDERS OF MINDS

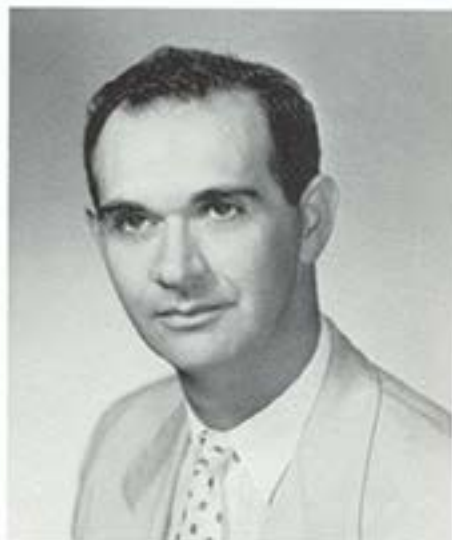

DOUGLAS BEGEMAN  
B. M.  
James Milliken University

Mr. Begeman, who has been on Windsor High's faculty for twenty-one years, directs our excellent band and chorus. He also devotes a great deal of time to the training of the dance band and the ensembles.

JOHN H. GALLIGAN JR.  
B. S.  
Murray State College

Mr. Galligan's busy mathematics schedule consists of teaching algebra I and II, trigonometry, plane and solid geometry, and business and general mathematics. Through these courses he prepares students for college and business careers.

MRS. PATSY LENZ  
B. S.  
Eastern Illinois University

In home economics classes Mrs. Lenz educates the girls of W. H. S. for their future roles as wives and homemakers. She also serves as the F. H. A. advisor, supervises home projects, and administers the Betty Crocker Homemaker of Tomorrow contest.

MR. JOE DIXON  
B. S.  
Indiana State College

Mr. Dixon is one of Windsor High's new teachers this year. He directs the biology classes' dissection procedures and instructs the classes in the many other aspects of biology. Besides this, he has set up a very fine physical fitness program in boys' physical education and is our assistant coach.

#### BUS DRIVERS

FRONT ROW: Harrison Brooks, Clinton Wall, Abe Sims.

BACK ROW: Ben Elliott, Fred Landis, Bill Carnie, Vern Storm, Louis Curto.

## PERSONNEL PROVIDE ESSENTIAL SERVICES

The personnel of W. H. S. have proved to be indispensable to the functioning of the school. Through good weather and bad, the bus drivers insure the safety of the students with their careful driving. The cooks provide tasty, nourishing meals in abundant quantities. The janitors are always hard at work mopping and waxing floors, washing windows, tending the furnace, and keeping the building neat. All in all, their behind-the-scene services are an essential element of our school life.

# CLASS ACTIVITIES

A day at Windsor High School is sometimes very unusual. During a history class, you may find the history teacher being eliminated by a helpful student. Or, as you wander up to the biology department, you may find a poor little hamster who is being fed on orange pop and candy bars. Honestly, you wouldn't think of doing that to yourself! But, not everyday is so mixed up.

For a freshman each new day opens another door to new experiences. A sophomore, too, encounters new experiences, although he feels that he already knows all of the ropes. A junior becomes a leader and begins to realize the value of his education. A senior, being able to see his high school education to a close, seriously endeavors to gain all the knowledge he can in his final year.

#### D. A. R. AWARD

Maria Miller was selected by the students and faculty of Windsor High School to receive the Daughter of American Revolution Award. This award is based on her outstanding characteristics in Dependability, Service, Leadership, and Patriotism.

#### BETTY CROCKER AWARD

By scoring highest on a test given by the Betty Crocker Company, Eileen Walker won the Betty Crocker Search for the American Homemaker of Tomorrow Award. This test, based on homemaking abilities, is given only to senior girls.

## OUTSTANDING STUDENTS AT W.H.S.

#### F. F. A. SCHOLARSHIP

Dale Walker was awarded the F. F. A. scholarship for being scholastically the highest ranking agriculture student.

#### ILLINOIS STATE SCHOLARSHIP

Don Schrock was awarded one of the State Scholarships. These are awarded to senior students who receive a high grade on a test given by the State Scholarship Board.

# Organizations

Mr. Seng, as advisor of the Student Council, accompanies the president and vice-president to the State Student Council Convention held in Chicago.

The officers planning Activity Night to be held in the spring are: J. Johnson, Vice-President; M. Miller, Secretary; D. Schrock, Treasurer; J. Hastings, Reporter. Standing: T. Haney, President.

## STUDENT COUNCIL

Connie Wittenberg, District Recording Secretary, attended District Officer meetings and the State Student Council Convention in Chicago.

President Tom Haney played an important role in the doughnut sales being a success. Because of this project money was raised for the homecoming.

ROW 1: S. Taylor, D. Walker, P. Maxwell, R. Minor. ROW 2: M. Gannaway, R. Rentfrow, C. Wittenberg, J. Hester, R. Davis, S. Buesking, R. Weakley, L. Carr.

## INITIATES NEW IDEAS

The Student Council had two money-making projects this year. The doughnut sales, a project carried on for several months, made it possible for students to buy doughnuts and milk before and after school. The other project which was planned for the spring was Activity Night. On this evening many athletic activities were planned for the enjoyment of the whole school.

The theme for the homecoming dance, "Mistletoe Magic," was beautifully carried out by clever decorations. In the center of the stage behind the queen's chair was a huge evergreen wreath. On each side of the wreath a gorgeous red deer adorned the curtain. Three white ornamental balls with mistletoe entwined in them were hanging from the ceiling.

Another annual event which takes a great deal of planning is Student Council Week.

This organization was honored with a district officer, Connie Wittenberg. Connie attended several district meetings and helped boost interest in the student council in our school.

The Dramatics Club members who have obtained enough points to qualify as Thespians are: J. Kirk, B. Richards, H. Haney, M. Miller, R. Vail, and B. Theisen.

## THESPIANS PRESENT

The Dramatics Club members are striving to becoming Thespians. Seated: E. Cazier, R. Marshall, J. Baker, C. Lovins, R. Richards. Standing: I. Turner, M. Schuyler, L. Carr, L. Johnson, L. Hudson, C. Jones.

The officers re-enacting the installation of new members are: S. Taylor, Reporter; J. Hastings, Student Council Representative; D. Van Voorhis, Secretary; P. Maxwell, Point Recorder; G. Goddard, Vice-President; T. Haney, Treasurer; C. Wittenberg, President.

## DRAMATICS NIGHT

The first main event of the Thespians was the initiation of new members and the installation of officers. In December a group of the members presented a play, "A Hill Billy Christmas Carol." This hilarious play was presented for the enjoyment of the school on the day before the beginning of Christmas vacation.

Each year the Thespians look forward to the contests held for plays and individual events. In addition the group planned a dramatics night this year as a money-making project.

Mrs. Keller, Advisor, displays the first place plaque won by the contest play cast last year.

ROW 1: J. Hampton, C. Olson, R. Minor, J. Nichols, D. VanVoorhis, J. Seng. ROW 2: J. Honn, M. Miller, D. Moberly, R. Vail, V. Honn, G. Goddard. ROW 3: A. Goddard, S. Taylor, J. Kirk, D. Curry, B. Lovins, M. Kasey, C. Wittenberg.

## SONGS AND DANCES PROMOTE AMONG SPANISH

### SPANISH CLUB OFFICERS

SEATED: Mary Ellen Bullerman, Treasurer; Pat Maxwell, Vice-President; Betty Thelsen, Secretary; Sue Davis, President.  
STANDING: Don Schrock, Reporter; Joe Hester, Student Council Representative; Tom Haney, Song Leader; Joyce Baker, Program Chairman.

ROW 1: I. Turner, K. Krile, J. Morrison, C. Tilford, J. Hastings. ROW 2: N. Olson, L. Hudson, L. Carr, J. Witt, B. Richards, D. Meador. ROW 3: G. Robison, J. Lawyer, D. Rohlf, M. Gannaway, D. Rankin, J. Kirk, G. Shafer.

## A BETTER UNDERSTANDING CLUB MEMBERS

Los Bailes y La Musica de Los Paises de Habla Espanola (The Songs and Dances of Spanish-speaking Countries), the theme of El Círculo de Español, provided education and entertainment for the members at their monthly meetings. Several of the officers demonstrated the styles of dances from the different countries.

The year was enjoyable and very active. Among the activities of the year was the Welcoming Party in October, where the members learned the Mexican Hat Dance. In December, the Spanish Club went Christmas Caroling and afterwards smashed pinatas. Unfortunately, two were filled with flour instead of candy and produced a cleaning bill for the club. A Valentine Party was held in February, and in April a foreign exchange student from Ecuador spoke at Pan American Night. The annual trip was taken to Fox Ridge in the spring.

ADVISOR: Mrs. Marsland

ROW 1: C. Horn, V. Monson, M. Fox, J. Stillabower, K. Evans, I. Turner. ROW 2: D. Slifer, M. James, P. Wall, M. Lenz, N. Davis, J. Gaither, M. E. Bullerman. ROW 3: K. Bennett, L. Johnson, C. Olson, P. Swain, S. Hardesty, J. Honn, E. Price. ROW 4: B. Horn, S. Dewar, P. Hopper, C. Lovins, J. Clevenger, C. Drummond, B. Richards. ROW 5: R. Richards, A. Goddard, S. Twitty, L. Gaston, J. Baker, C. Thompson, R. Marshall, J. Elliott.

The Chapter was honored with a district officer, Pat Maxwell, Vice-President of Public Relations, and a state officer, Maria Miller, Second Vice-President.

## F.H.A. IS HONORED

The theme, "With F.H.A. Our Guide, Values Our Goal," was carried out through a series of monthly night meetings. During these meetings the girls enjoyed demonstrations on hat making, hair styling, meat carving and cuts of meat and flower arranging. They also enjoyed trick or treating for U.N.I.C.E.F., Christmas Caroling, laughing with their taffy-pulling Dads on Daddy Date Night, and modeling clothes made by themselves at the style show.

One of the main projects was composing a group of slides, "Are You a Leader, Future Homemaker?" This state project will be used by F.H.A. chapters all over the state of Illinois.

E. Walker, Secretary, and M. Miller, President, demonstrate to the other officers hair styling methods learned during a night meeting. Seated are P. Maxwell, Vice-President; J. Johnson, Treasurer; R. Schwerman, Second Vice-President. Standing are: C. Wittenberg, Vice-President of Public Relations; L. West, Degrees Chairman; J. Cole, Degrees Chairman; M. Schuyler, Vice-President of Projects; E. Cazler, Historian; V. Nolan, Vice-President of Recreation.

## WITH STATE PROJECT

Another project which they are proud of is their U.N.I.C.E.F. drive. They broke last year's record of \$56.40 by collecting this year \$88.50. This all time record brought the chapter recognition from the U.N.I.C.E.F. organization.

Maria Miller, State Second Vice-President, and other State officers were honored by getting to go to the National Convention in Salt Lake City, Utah. She brought back many new ideas which were used in planning the local program of work.

Pat Maxwell, Section Fourteen Vice-President of Public Relations, attended section officer meetings, and helped plan the Leadership Training School, and the Spring Rally.

The Windsor F.F.A. provides training and leadership for the young men of our school. With the help of their advisor, Mr. Martz, the members strive for success in all of their activities.

An interesting project which the boys themselves took charge of was the Pest Contest. The idea of the contest was to see who could get the most pests from their farms. For each pest they brought in they received a certain number of points. An award was given to the boy with the most points.

The F.F.A. cooperated with the Shelby Farm Bureau by sending Richard Davis and Richard Hampton to the F.F.A. Farm Bureau Acquaintance Program.

At the annual Family Night Program held in March, awards were given to many boys as a result of their hard work.

To end the F.F.A. program of work for the year, in May two boys were sent to Champaign to the State F.F.A. Convention.

JUDGING TEAMS: Grain, R. Hampton, D. Bauer, M. Allen; Dairy and Poultry, T. Bennett, T. Elson, K. Sims; Livestock, D. Bauer, R. Davis, D. Champion. The grain-judging team placed sixth in the section. The judging teams placed tenth in the section in over-all competition.

## BAND STIMULATES

MR. DOUG BEGEMAN, Director

After much practice, a few members of the high school band attended the South Central Band Festival at Sandoval. Along with other schools from the southern Illinois area, they put on an evening performance. Members participating in this concert were: Tom Haney, Donna Van Voorhis, Connie Olson, Bill Fisher, Cheryl Stilabower, Brenda Horn, Daphne Ritchie, Connie Wittenberg, and Mike Gannaway.

The entire Windsor band took part in the joint high school band concert at Sullivan with Bethany and Findlay.

At our homecoming basketball game with Stewardson-Strasburg, the band, led by our head majorette, Donna Van Voorhis, provided us with impressive between-game entertainment. Medleys of Christmas songs and formations proved that their untiring practices paid off.

## PRACTICE PERFECTS FLYING FINGERS AND TWINKLING TOES

The majorettes performed at the annual floor show the night of the homecoming game. Their twirling routines were enjoyed by all.

The ensemble contestants worked diligently to strive for perfection for the state contest, which was held in March at Bloomington. Their music could be heard echoing throughout the halls. Their daily devotion to practice proved valuable as they came home with many honors.

Man..Woman..Birth..Death..Insanity.

Through the year at W.H.S. there are always certain moments that add to the relaxation of the students. These moments are the class parties and different school organization parties. The parties help the students to work together. They always have fun trying to present something new to the student body and the faculty.

# CONTRIBUTE TO THE STUDENT BODY.

Beverly "Beatniks"??

This year brought many very interesting and entertaining parties. The "Senior Sock Hop" was a very good start for W.H.S. It presented a comical skit, featuring Drs. Ben Casey and Kildare performing a ridiculous operation. The Junior class presented "The Monster Mash," which was centered around the song, "Monster Mash," and also around Halloween. The Gasketters entertained the student body with their numerous amusing songs.

## 1962 HOMECOMING ACTIVITIES

Our 1962 Homecoming began with much preparation and planning for the various activities. Each organization and class made a banner, which was displayed on Friday afternoon at the bonfire in the school parking lot. These banners were later judged and displayed in the gymnasium to boost the enthusiasm of the crowd during the ballgame that night. The seniors' banner was awarded the first place.

Our junior varsity basketball team lost 59 to 50 to Stewardson-Strasburg's Comets in the opening game Friday night. However, the varsity boys reversed the tables and defeated the Comets. Although the Blue Devils had to fight hard in the final game, they victoriously tallied up a score of 69-64. This victory retained our blue hatchet.

On Saturday evening the Homecoming dance, Mistletoe Magic, was held in the gym. The gym was decorated with sprigs of mistletoe, gave the perfect atmosphere for dancing. The dance was highlighted by the coronation of the 1962 Homecoming Queen, Miss Eileen Walker, by the retiring queen, Miss Karen James. This was certainly a superb climax to the excitement and gaiety that we the students and faculty of Windsor High School had experienced during our 1962 Homecoming.

## PLAY DAYS

This year the club attended three play days: College Play Day at Eastern Illinois University and the two spring and fall District Play Days.

The girls keep an avid interest in the organization as they watch their points mount up toward an award. Points for the awards are given for attendance and participation. After a year of hard work, fun, and fellowship, those who have reached their goal receive their award at an annual banquet. Also, the most outstanding senior member is named at this time.

Money to cover expenses is obtained by dues and the sales of W. H. S. sweatshirts.

Mrs. Aumann, Advisor, holds the plaque which honors the most outstanding senior member of the year. Each year the outstanding member's name is engraved upon the plaque.

Windsor can take pride in the fact that the Blue Devils almost beat T-Town, who won the conference championship with an unbeaten record. Another high spot of the season was the game in which Randy Sutton pitched a no-hitter against Neoga.

The Blue Devils will have the top three batters back next year. They are Randy Sutton, Bill Maxedon, and Jiles Nichols. Only two of this year's baseball team will be lost by graduation; they are Tom Hancy and Richard Davis.

The Blue Devils, having a young team, should be a contender for the National Trail Conference baseball championship next year.

## BLUE DEVILS CAPTURE

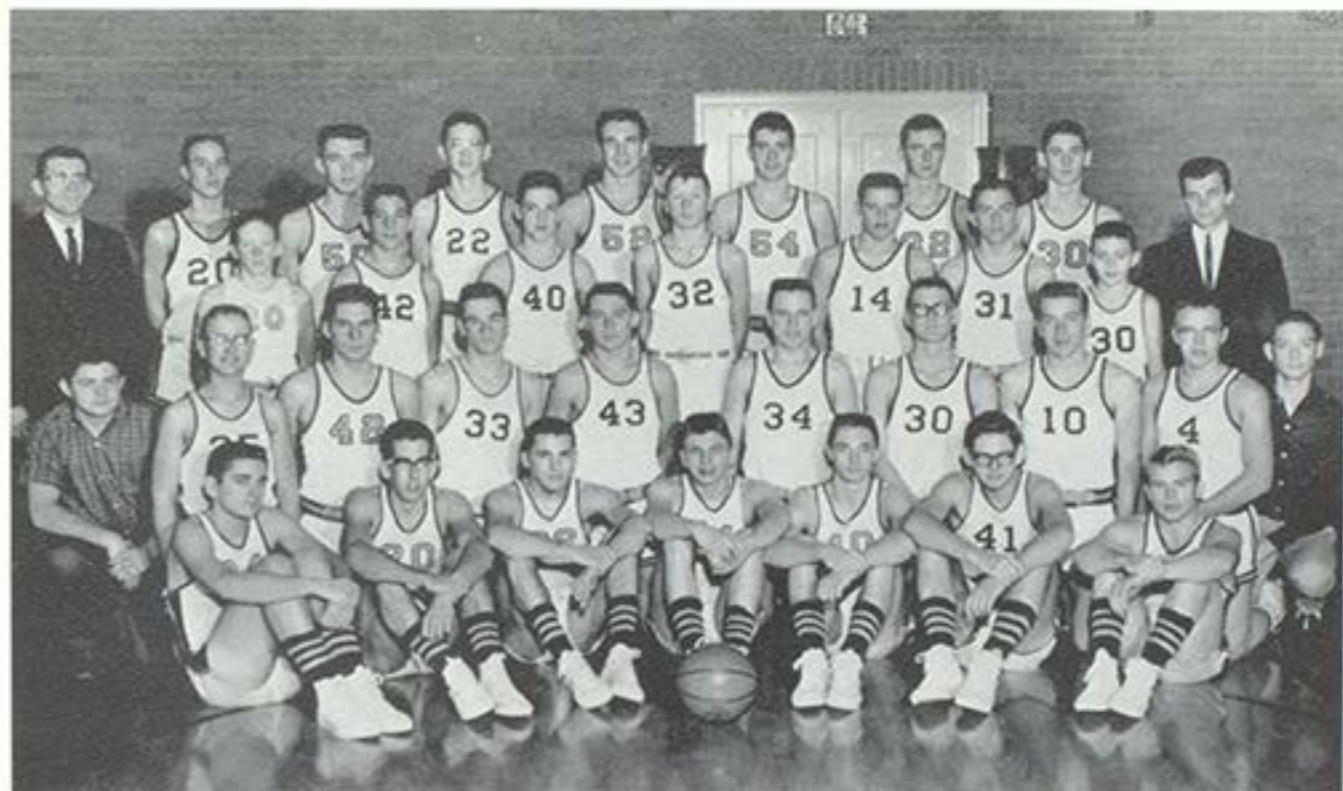

Coach Buchanan and Coach Dixon display the N.T.C. Tournament 2nd place trophy and blue hatchet.

This year's Blue Devils racked up one of the best season records (19-5) in the history of Windsor High.

Our team started the season with eleven straight victories before Brownstown appeared on the scene in the finals of the National Trail Tournament to snap this winning streak.

The Blue Devils captured 3rd place in the Shelbyville Invitational Tournament by downing Clinton 52-44 after losing to a strong Litchfield team 60-48. Gracing the trophy case in 1963 is the conference traveling trophy which was awarded to the Blue Devils for their superior record of 9-2. Another highlight of the season was defeating Stewardson-Strasburg at their homecoming and ours to win both the green and blue hatchets.

Managers, Richard Vail and Garrett Kirk, leave for one of the many games.

Good coaching and outstanding performance on the part of the players produced an impressive record of 15-3. Precision shooting and aggressive rebounding were great assets that contributed to their success.

One of the most thrilling games of the season was the 59-57 double overtime victory over Stewardson-Strasburg in their homecoming game.

Windsor fans can be looking forward to another outstanding season next year. They may also anticipate a strong second team, as the Sophomore squad wound up the season with a 5-4 record, and the Freshman team ended their season with a 7-5 record.

## THE END OF THE BEGINNING

The approaching end of the 1962-1963 school year causes us to reminisce about our activities of the past months - - parties, plays, sports events, contests, dances. We realize that these extracurricular and organizational activities have been as essential to our learning process as the academic courses that we have taken.

Our yesterdays, which formed the base for today, will build our tomorrows. The final senior activities - - the play, the prom, the senior trip, and graduation - - have concluded one of the most important phases of our lives. We have come to the end of our beginning; a beginning which teaches us the ways of life and the facts that we must know in order to succeed. Now we must step out into the world and start another beginning - - higher education, securing a job, or marriage.

For the education of the future generations of underclassmen, the end of another beginning is almost within reach: the new addition to Windsor High School, which should be completed by this fall. To the fortunate students who will occupy the school, to the graduates in whatever field they choose, and to all individuals in any phase of their lives, we offer this sage advice:

Build today, then, strong and sure,  
With a firm and ample base,  
And ascending and secure  
Shall tomorrow find its place.

- - Henry Wadsworth Longfellow

1963 SUPPLEMENT **WHS**  
1963

D. Rohlf, B. Lovins, J. Hester, H. Haney, T. Haney, B. Maxedon, J. Nichols, D. Schrock, M. Gannaway, and Coach Buchanan are happily receiving the district trophy at Lovington.

## DEVILS RETURN DISTRICT TITLE TO W.H.S.

Windsor started District play at Lovington by overpowering Findlay 82-55. Then by defeating Bethany 56-49 in an exciting final game, the Blue Devils presented W.H.S. with the District title once again. This is the sixth title within eight years for the "Dominating Devils."

Then with high hopes Windsor went to Arcola for the Regional where they were paired to play Tuscola in the first game. As the Blue Devils were fired up with desire, Tuscola had a very tough time beating them. The Devils came within two points with about 2:48 minutes remaining, but eight straight free throws clinched the game for Tuscola. Even though the Blue Devils were defeated, they went down fighting, according to tradition.

At the National Trail Conference Banquet Don Schrock was elected to the All-Conference team by the coaches. He also had honorable mention on the Chicago Daily News Little All-State team.

Everybody is proud of the good record and accomplishments of this year's basketball team.

ROW 1: J. Seng, R. Minor, B. Gass, D. Bauer, G. Shafer, R. Weakley, R. Hampton, L. Shouse.  
 ROW 2: D. Cammen, R. Davis, M. Butcher, M. Gannaway, J. Hester, D. Curry, T. Haney, B. Maxedon, W. Ratliff, J. Kirk, Coach Buchanan.

## TRACK TEAM SHOWS STRENGTH

Coach Buchanan

The 1963 track team had some outstanding participants on their squad this year. One was Tom Haney, a senior, who threw the discus 132'9". Another outstanding senior was Richard Davis who ran the 880 yd. run in 2'9".

Two juniors did very well this year in track. Joe Hester threw the shot 44'3". Mike Gannaway jumped 5'6" this year and is expected to better this mark next year.

Practice and desire have been the cornerstone of success for this year's track team. Each one has put forth an effort to make the team better. Also the underclassmen have shown that they too want to make next year's team a huge success and a team worthy of praise.

## SENIORS PRESENT

### "A ROCKET IN HIS POCKET"

"A Rocket in His Pocket" is the story of a young man, Mr. Agnew, who comes to the small Western town of Blue Rimrock as the town's first male schoolteacher. The school's principal, Mrs. Matchett, is a hard, rugged-type woman, who presents many problems to the new, timid, non-athletic schoolteacher. More problems come to Mr. Agnew when he meets his students. One of the students, who goes by the name Spaceman, is a science bug. Spaceman builds a rocket which blows a hole in the roof of Mr. Agnew's classroom. This act infuriates Mrs. Matchett and turns her more against her new teacher. However, in the end Mr. Agnew finds pleasure and happiness in his first teaching position, especially when he meets a young English teacher named Miss Chisle.

## JR.-SR. PROM 1963

Transformed into a beautiful vision of heather and mist, Windsor High School gymnasium revealed the loveliness of the "Dutch Gardens." Crossing a bridge over a small pond was all it took to enter this elegant representation of Holland. The realistic atmosphere centered around a splendid example of a Dutch windmill. Crepe paper of various colors sprayed out from the summit of the windmill creating a low ceiling and portraying the gaiety of Holland. Roy Ellis and his band played for the picturesque occasion.

"Let's get this show on the road!"

"Hey fink, quit splashin' and start swimmin'!"

## SENIOR TRIP TO SCENIC

At 3:00 Friday morning, May 17, the class of '63 seniors left Windsor High School on their trip to the Ozarks. Despite their rough, tiresome, and bumpy trip on a school bus, the seniors arrived at the Ozarks at 11:00 A.M. Mr. and Mrs. Glen Thompson and Mr. and Mrs. Charles A. Walker were the chaperones. Sleep, rest, and fun were found at the Lodge of the Ozarks.

As soon as the lodging was arranged, the seniors went their separate ways and explored the scenic Ozarks with their many forms of fun and excitement. Many enjoyed the seaplane flights, the fast and thrilling speed boat rides, horseback riding, swimming, trips on motor boats, playing pool, walking through the Tunnel of Love, buying souvenirs, eating pizzas, sleeping, and having fun.

"Hic - didn't know - hic - what this stuff would - hic - do to you!"

Poker, 7-Up, and hearts

"Hey, who fell off?"

## ESCAPADE

### LAKE OF THE OZARKS

On Friday night everyone enjoyed the boat trip on the scenic cruiser, the Commander. Later on the same evening there was a dance with a local disc jockey serving as the emcee. Afterwards a weiner roast was held near the lake.

At 1:00 P.M. Saturday the seniors were home-bound. The trip back was delayed several hours because of a flat tire. Finally they arrived in Windsor at midnight. Happy, but tired, the seniors looked back on their trip with fond memories. Now they had to get back to the old grind of studying for semester tests. Graduation was on the way and a new future was beginning for all.

"Come on, it's an Ozark hootenanny!"

"Warn me next time, will ya?!"

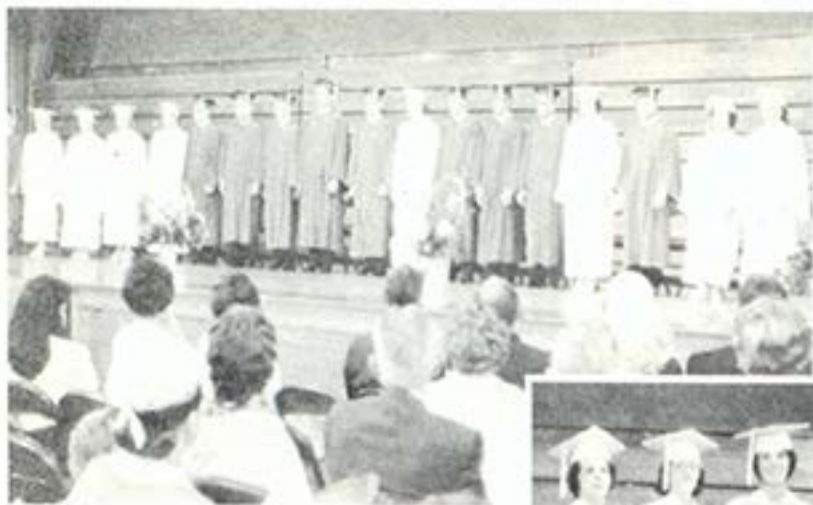

"Duck or die!"

"What fun, what romance, what -"

## 1963 SENIORS

### GRADUATION MEANS GOODBYE

Baccalaureate for Windsor High seniors was on Sunday, May 19. Reverend Gary Finley, minister of the Ash Grove Christian Church, gave the address. He spoke about life which can be complete only when all of the leaks in our character have been stopped.

The big stepping stone for the seniors came with their graduation on Friday, May 24. The band played a special selection, and Tom Haney played a solo on his saxophone.

The address was given by Aubrey J. Holmes, Executive Secretary of the Teachers' Retirement System. He told several interesting jokes and kept everyone's attention with his lively speech.

Mr. Orris Seng gave the class recommendations and achievements, and Mr. Russell Curry presented the diplomas. Don Schrock was the valedictorian of the class of 1963, and Jan Johnson was the salutatorian.

Congratulations, Class of 1963

POW-WOW STAFF

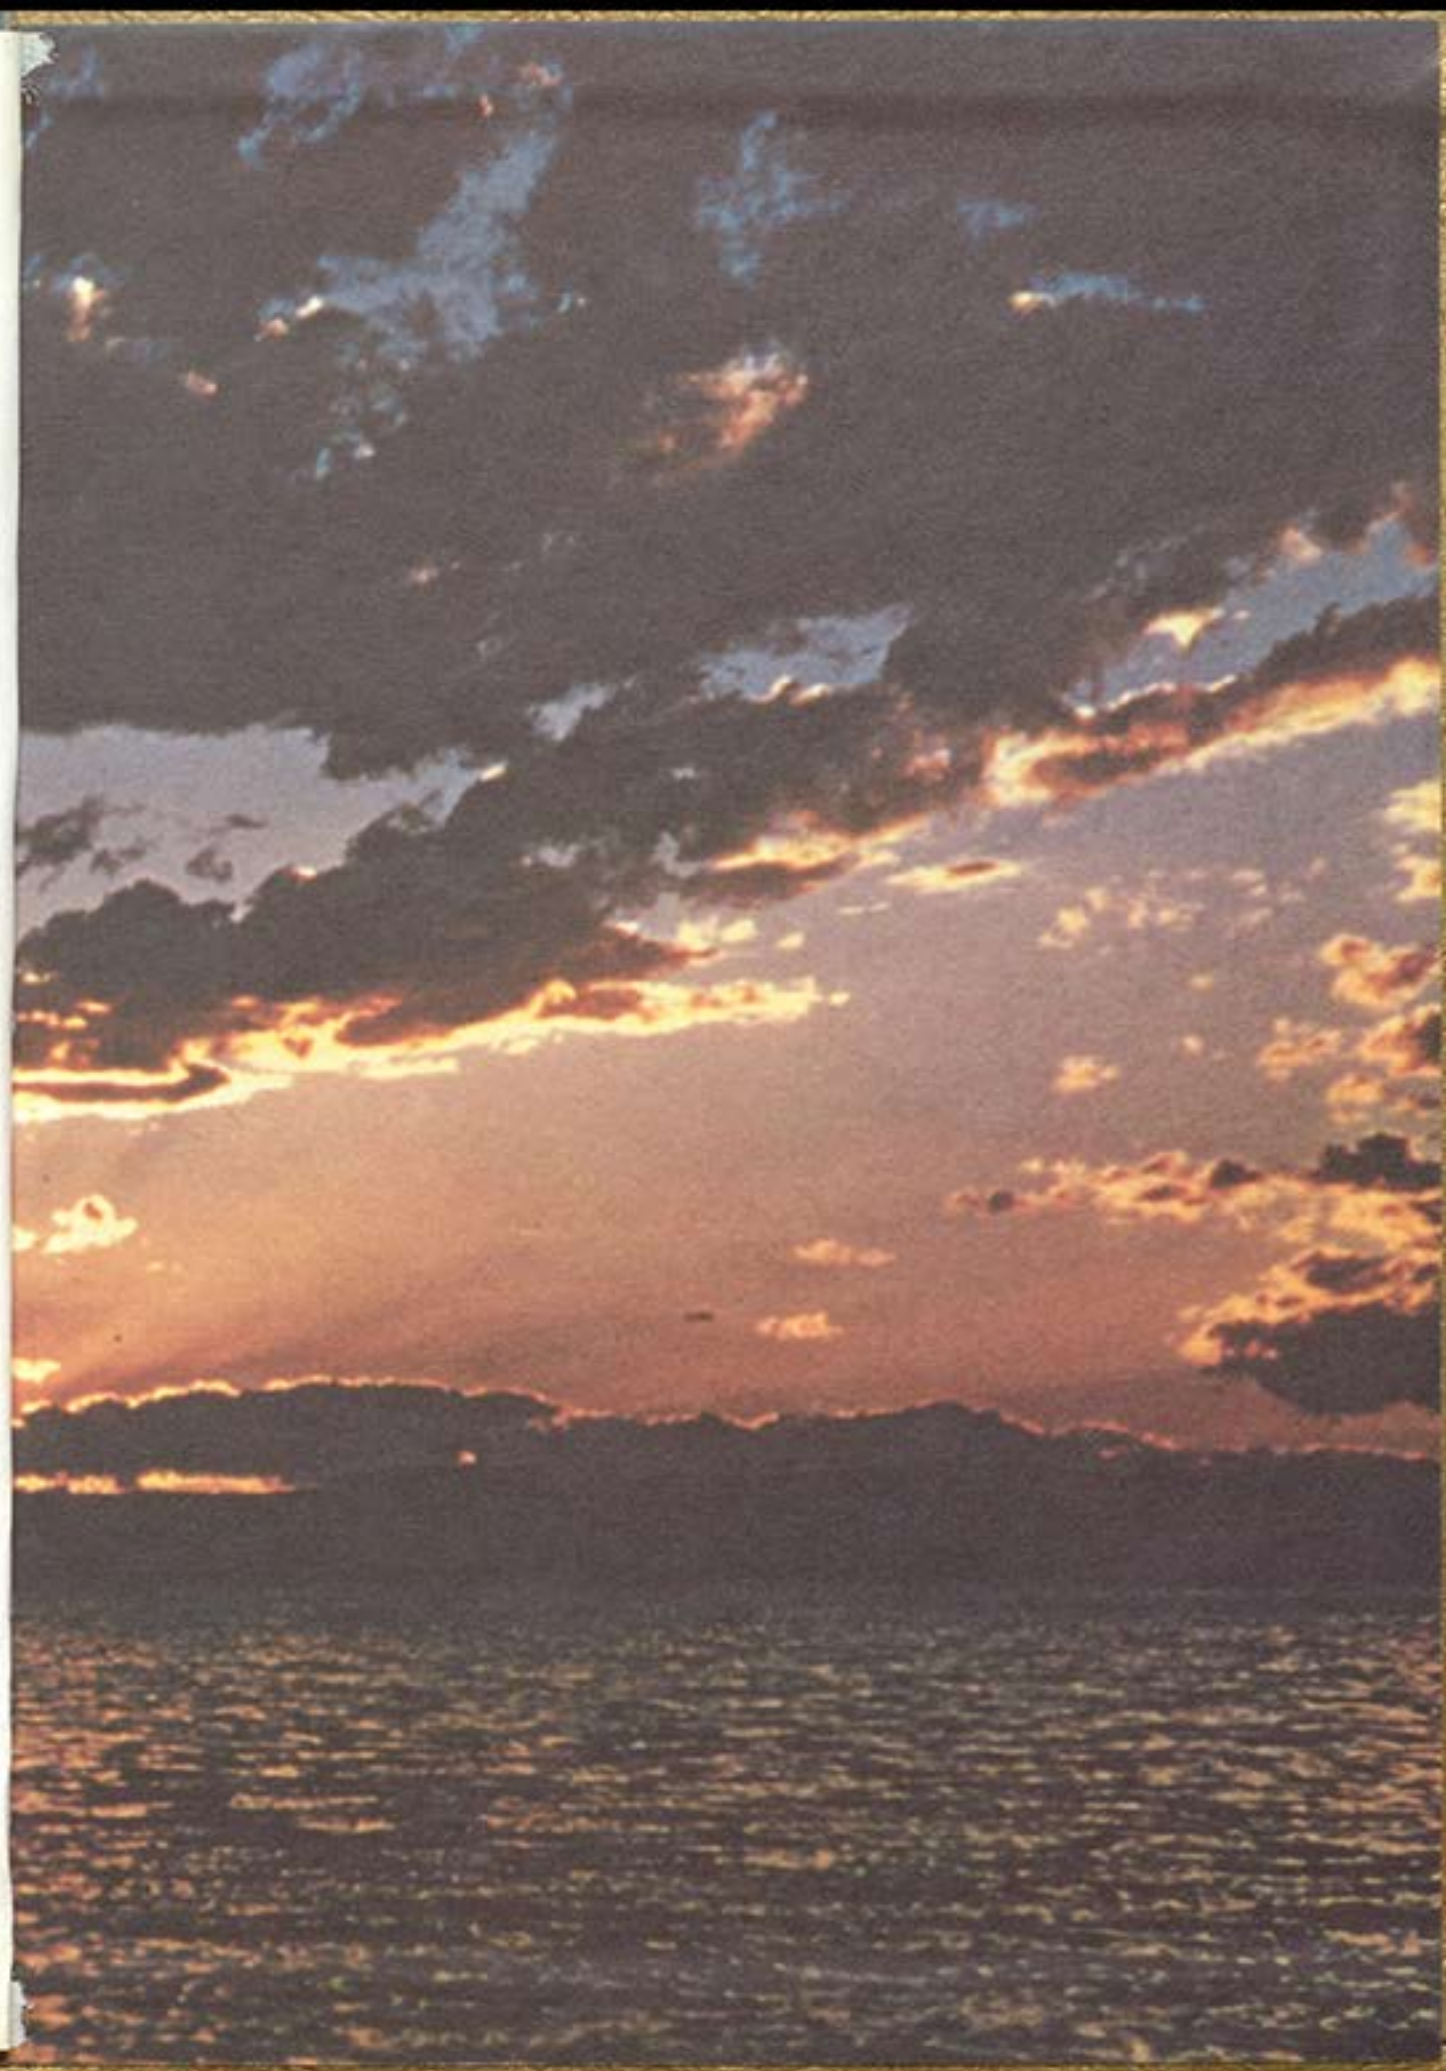

**SCHOOL IS OUT  
DAY IS DONE  
BUT OUR LIVES  
HAVE JUST BEGUN**

Many of us have now reached an important cornerstone in our lives. School days are over, and a wonderful summer vacation lies ahead of us. Work on the new addition to our school is being completed. This yearbook is also being completed and is marking an end to the nights of planning and working. As the year comes to a close, we find ourselves wondering what lies in the future.

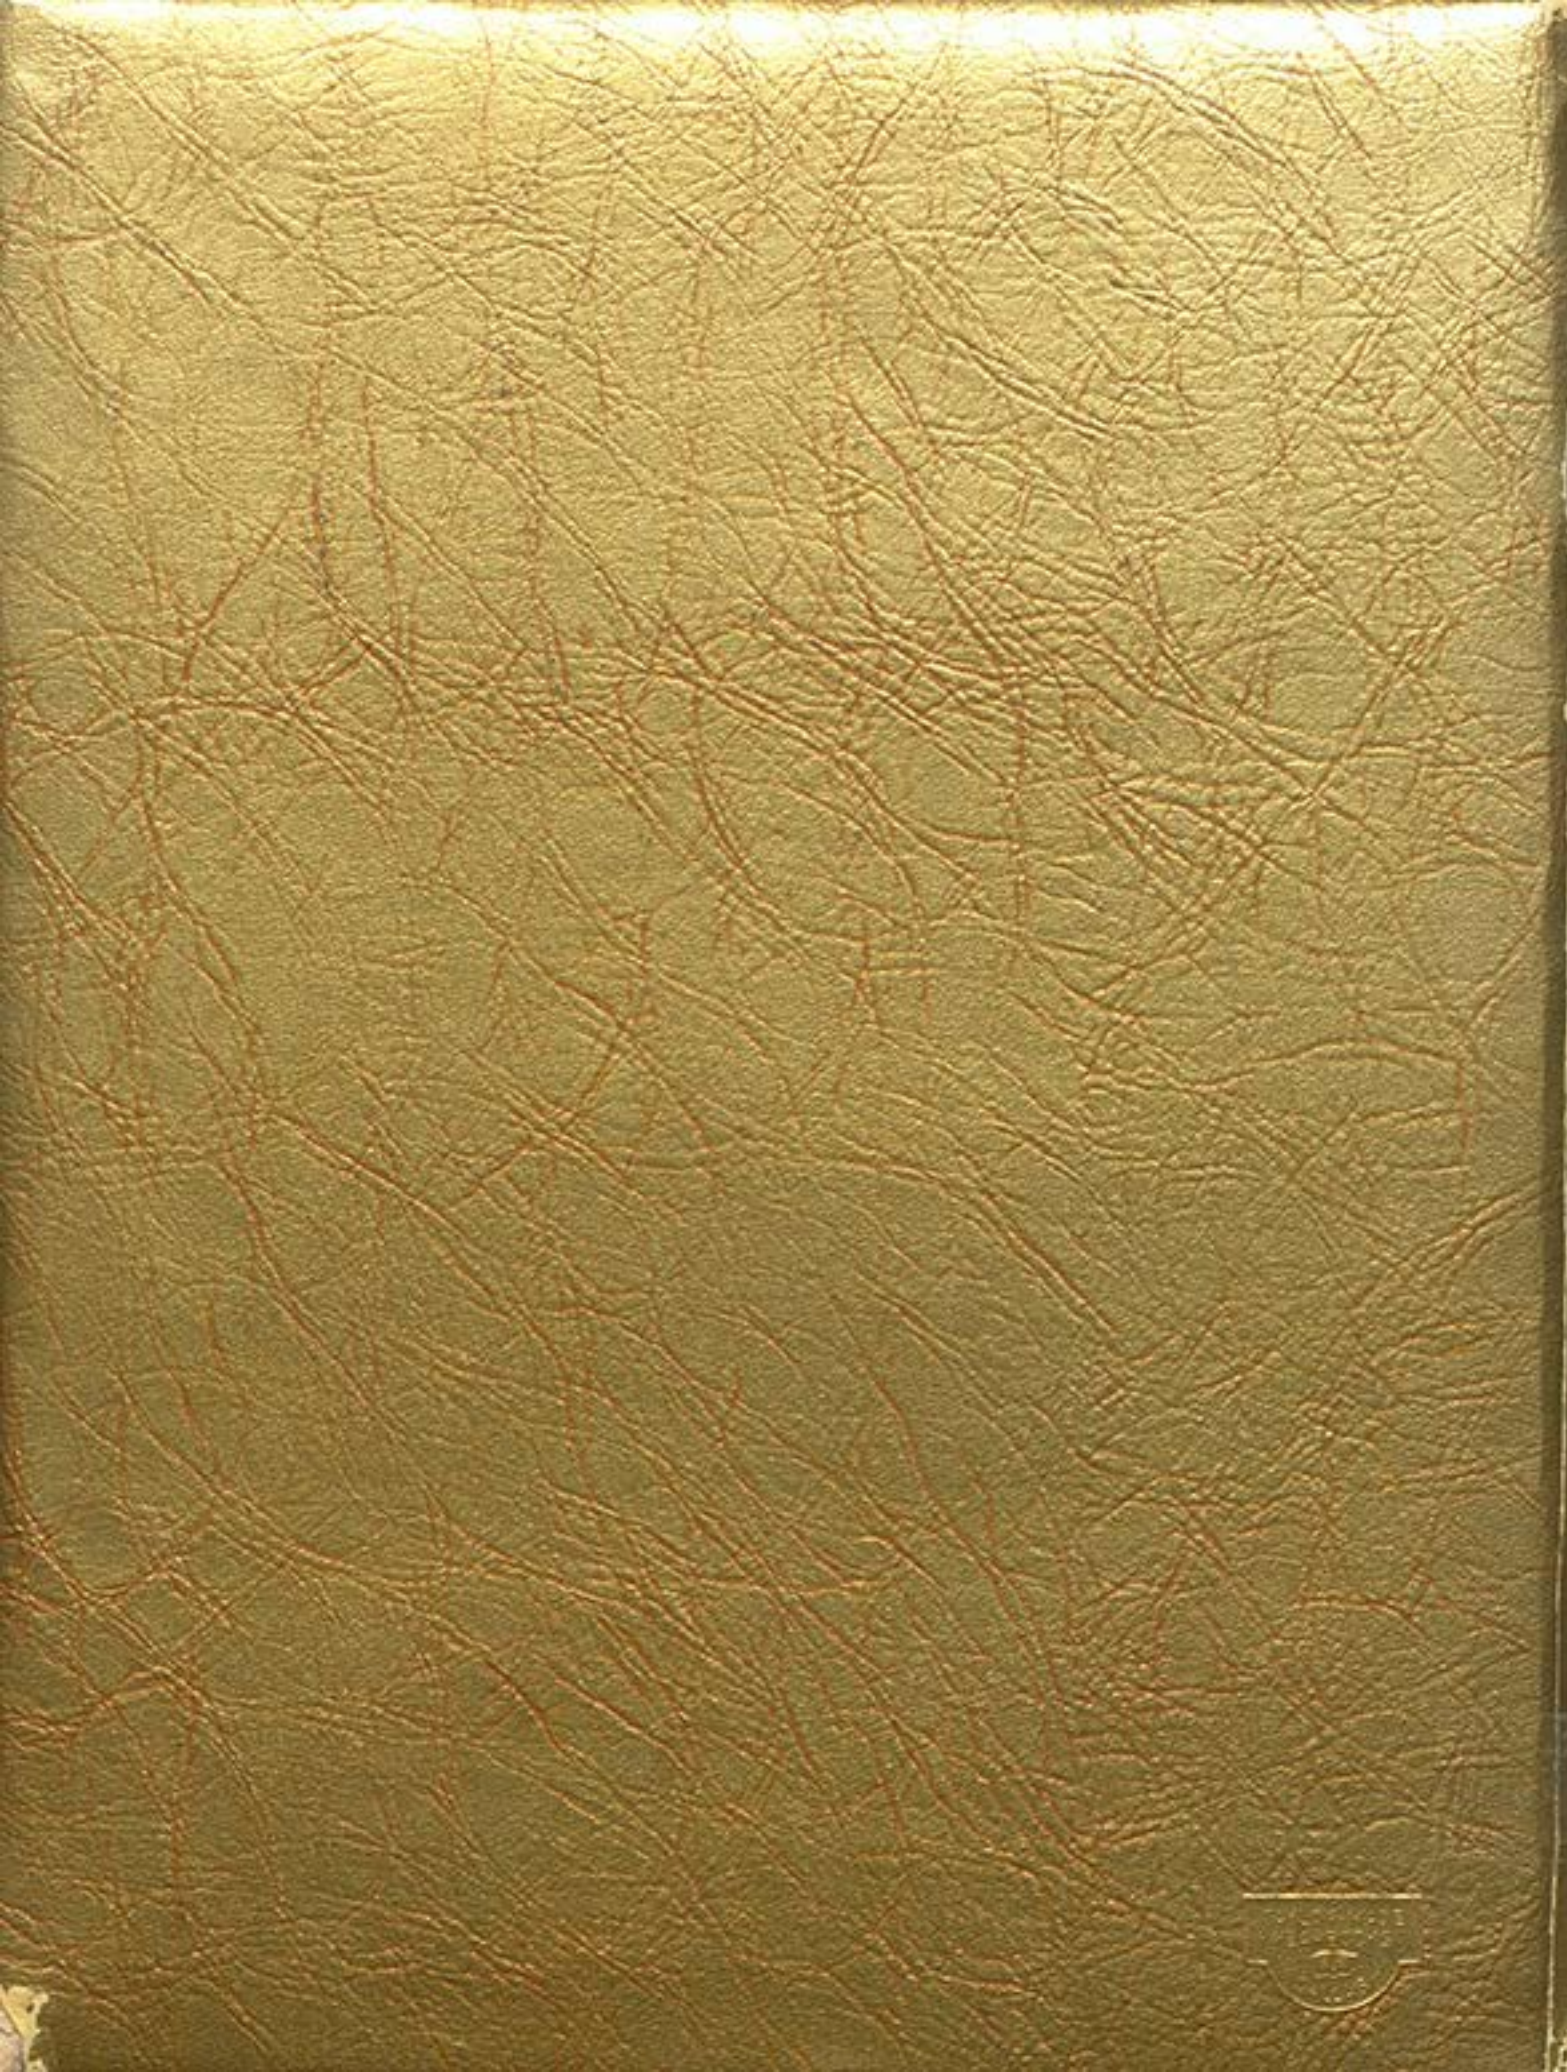

The future! There are wonderful opportunities in the future, and all will have their share if they have the ambition and desire to attain, to the highest degree, their goals in life. Many students will still be continuing their education here at Windsor High School. These students are very fortunate, for they will have the opportunity to make use of the new school addition and its modern facilities. For the seniors a wonderful future lies ahead. Many will further their education or find a job. No matter what their endeavors or plans, they will succeed if they have a strong will and faith to live by.

As we conclude the Pow-Wow for 1963, we have many fond memories and fears to be proud of. The advertising staff broke the previous sales records for selling ads. The whole staff worked extra hard to produce a fine yearbook, which to everyone's surprise arrived earlier than expected. Now our work is done, and we have accomplished a great deal despite the small size of the staff and the working facilities. We've all had fun planning and working on the yearbook. We wish to thank everyone concerned who helped us in any way with the Pow-Wow. Also, we would like to thank the townspeople who have contributed toward the new high school addition and our parents who have given us the educational opportunities which we have received. THANKS!
