# In Dedication

We, the POW-WOW staff, dedicate this nineteen seventy-five yearbook to our principal, Darrell Dean Tucker.

During his first year as principal, Mr. Tucker has worked to bring many innovations, such as an Honors' Banquet and better school spirit, to W.H.S. We would like to express our sincere thanks to Mr. Tucker for being our principal, counselor, and friend. We would also like to wish him a successful future.

### What Have You Done For Him

Long Ago, so far away  
God was here.  
As He is today,  
He made the earth,  
The sky above,  
The trees and birds  
With His Mighty Love.  
He even sent His Son  
To die,  
To save us from our sins.  
Yet often we take for granted  
What have YOU done for Him?

### The Class Of 1976 Presents "Desperate Ambrose"

Have you ever been in a situation when it is not only easier but also maybe a bit more rewarding just to tell a "little white lie"? But then did you find that that one little lie led to another and another? Then you know exactly how Ambrose Groves and Bert Miller felt after they had breezed into Dead Man's Gulch. Ambrose and Bert, soon to have become vaudeville hits, ended up attempting to be Homer the Kid and Gunsmoke Carter for the two heirs to the only hotel in town. As Homer the Kid and Gunsmoke Carter, they rescued the two heirs, Nancy and Anne Martin, from a mess with the crooked sheriff and two other gun slingers. But they themselves still seemed to wind up with a brush or so with trouble. In the end things seemed to work out fine with Homer as the hero after all. The crooks were captured and put in their place. The hero always gets the girl and Homer did, but maybe not his heart throb, Nancy. Anne ain't so bad, is she, Homer, or Ambrose or whoever you are?

# POW WOW STAFF

Above: Advisor: Mrs. Maryland; Right: Senior Editors: Chris Johnson, Ann Rizzatti.

Under the supervision of our advisor, Mrs. Maryland, the Pow Wow staff managed to produce a yearbook for our students. This definitely wasn't an ordinary Pow Wow staff, so we weren't about to plan an ordinary Pow Wow. Although there was a lot of cramming before each deadline, we finally did it. We hope that this Pow Wow will be a unique and memorable one for each student at W.H.S.

The Girl's Athletic Association is a state wide organization set up so that girls can have an opportunity to participate in sports. Under the leadership of our president, Cathy Allen, and with the help of our advisor, Mrs. Brandenburg, we participated in a variety of sports this year. Along with the usual activities of hiking, camping, basketball, bowling, volleyball, and tramp, we tried golfing for the first year. The G.A.A. also sponsored activities including people outside of G.A.A. Among these activities were a Mother-Daughter Nite, a Date Nite, and a Daddy-Date Nite. All in all, G.A.A. did its part in spreading sportsmanship.

## EL CÍRCULO DE ESPAÑOL

Hola, todos! Este año el círculo de español patrocina muchas actividades estimulantes. Bajo la dirección de la presidenta, Ans Richards, y nuestra consejera, La Sra. Marsland, el club de español de 1974-1975 fue un grupo de merito. Para darles la bienvenida a nuestros miembros del primer año, dimos en octubre una fiesta de iniciación. Inspirados por esta fiesta, los miembros del primer año dieron una fiesta de la Navidad después de cantar villancicos como lo hace el grupo todos los años.

C. Johnson, Reporter; C. Allen, Secretary; T. Chapman, Treasurer; Mrs. Marsland, Sponsor; R. Risley, Vice-President; A. Richards, President; C. Bridges, Song Leader; L. Stevenson, Program Chairman.

Why do you wrap up your neck in a woolen muffler when you are going to speak? The muffler would be more suitable for our ears.

Martial

Through the collaboration of President Julie Vogel and Mrs. Keller, Speech Club was an enjoyable activity for all. Although the year was hectic, Speech Club managed to provide an entertaining and well performed Christmas play. In March several members went to speech contest after months of long preparation. Dramatics Night closed out the year.

Dear wife and  
children & all names given to the  
country side over there do not  
sound like our English place  
names at all. This is a good place  
though it has a little more earth  
than water. I hope you will like  
it very much.

Dear Maggie this summer we  
can go golfing. (We will go into  
you though) Don't get much  
and more marks down. We can  
out for some practice. We can  
read a lot of books.  
See you soon

Let's bring  
much fun here (at school)  
and have a great  
Halloween always.

Ruth Allen

Dan,  
I hope you make thru  
the last year with  
as much fun as the first  
three. The new basketball  
coliseum is now open  
for use anytime you want to.

P.S. A season ticket cost  
\$200.

Gary W. Head

Copy in file  
you later.
