## KALEIDOSCOPE '77

Through a kaleidoscope, one picture can be viewed in several different ways. Each person associated with the school sees the year in his own way. Whether it be in music, woodworking, sewing, helping in the library or any of the many school activities, each student at W.H.S. contributes something during the school year. Each view joined together creates our image of 1977!

## IN DEDICATION VERNON FUGATE

Windsor High School has been fortunate in having Vernon Fugate as a janitor. During his 17 years of service, he has devoted countless hours to the maintenance of the school. Not only has Vernon opened the doors to our school, but he has remained numerous hours after school, putting W.H.S. back in order. Vernon's enjoyment of young people has brightened his work while at Windsor High.

It is with deep respect and gratitude for his dedicated service that we, the Pow-Wow Staff, dedicate the 1977 yearbook to Vernon Fugate.

**VERNON FUGATE**

Vernon opens the doors to the future

A job is never left undone.

The class of 1977 arrived on the high school scene in the fall of 1973. Led by Steve Herbert, we underwent many traumas and setbacks as green freshmen. But in our sophomore year we made a great comeback to obtain our drivers' licenses. Many tall tales were told, and many small accidents were blown out of proportion by our driver instructors, but by some miracle we seemed to pull through. This year we were led by Deb Caspary as president. Ready to lead us into our junior year was Dennis Canny. We presented the play *THE SINISTER HOUSE* back to back with the Jr.-Sr. Prom, which, breaking tradition, was held in Eastern's Grand Ballroom, to make the year a tremendous success.

When our senior year arrived, we again elected Dennis Canny to be our president. We were guests at the Prom given by the Class of 1978 and held again in the EIU Grand Ballroom. In May the senior class spent a daring weekend in the Ozarks. Some ended the year looking forward to new adventures, either jobs or college. Others wondered how four years could possibly have passed so fast. Whatever our feelings, we, the class of 1977, will never forget the many memories that we have shared while students of WHS.

# JUNIOR CLASS PRESENTS LOCK, STOCK, AND LIPSTICK

Gordon Warren, the student counselor of Pembroke High, returns to the fall semester of school only to find that the Board of Education has decided to add a woman counselor to their staff. Gordon is a particular type of young man who must have everything in its place, and a place for everything. When the attractive and vivacious Jane Fardner, the new counselor, breezes in, he takes an immediate dislike to her. First of all, she is a female and as far as Gordon is concerned, women have no place in his life. Secondly due to a temporary housing shortage, we find Jane with no roof over her pretty head. This is solved by the domineering principal, Miss Entwhistle, who has Jane moved into Gordon's hallowed domain. So in comes Jane, lock, stock, and lipstick.

The Junior Class took their play to Stewardson-Strasburg on October 18. This was the first class to take their play to another school.

## STUDENT COUNCIL

With the leadership of our President, Denny Kuhl, the Student Council had a very busy year. This year the organization was made up of representatives from each class and club. The big event for the Student Council was putting on the Homecoming activities and dance. On Fri., Dec. 17, we served pancakes for a "Spirit" breakfast to start the Homecoming festivities. Then on Saturday night, we presented "Stairway to Heaven", the theme of the 1976 Homecoming Dance. "Brotherhood" was the band which played many of the favorites and requests of the guests.

Student Council also had a Halloween "Spook House" and various money-making projects.

Student Council's main goal is to improve the school in leadership and school activities.

# BAND

Windsor's Community Band is made up of both junior high and high school students. Highlights of the year include marching in the Windsor Picnic Parade, planning an indoor marching show for homecoming, and presenting a spring concert. Each year, many members compete in state solo and ensemble contest. Also selected members attend the South Central Illinois Band Directors' Association festival.

Each year the band works hard at earning money for new equipment and music. They sell tickets for their winter and spring concerts, and they also get involved in projects. This year the band sold bumper stickers with the slogan, "Windsor High Band-Aid Fund."

FFA is an important teaching tool for the practical application of lessons in leadership, cooperation, and citizenship, all vital to successful employment in modern agriculture. The FFA provides leadership opportunities for students by challenging them with incentive awards and leadership activities which complement the instructional program!

One of the highlights of the year was a camping trip at Hidalgo. Basketball and craft meetings were held at night, and during the winter months we enjoyed bowling at Mattoon. Another enjoyable year for the Varsity Club of W.H.S. has come to a close. The 1976-1977 season has been busy for all 30 members of the club. Activities in the club have included the annual alumni basketball game, a calendar sale and an exciting trip to St. Louis to see a baseball game. Each member of the Varsity Club, both male and female, has earned a varsity letter. Having a good time together with a lot of laughing makes the club an enjoyable activity. Even though this year is drawing to an end, the Varsity Club of 1976-77 will leave an enthusiastic spirit of pride and determination behind. Our hearts stay with the pride in W.H.S. forever.

# FACULTY

# BOARD OF EDUCATION

Seated: Gene Goodwin, President; Jon Phipps, Secretary; Len Thies, Richard R. Cole, Jr.; Standing: Preston Bennett, Nancy Goss, Larry Edwards.

The Board of Education of Windsor Community Unit Schools, District #1, is an elected body of seven citizens serving three-year terms. The Board has regular meetings on the third Wednesday of each month, and also meets at other times in adjourned and special sessions.

The Board has the legal authority and responsibility to establish the general educational policies for the community and to make those rules and regulations which are necessary for these policies to be effective. Recently the Board of Education has made special emphasis on the areas of adequate financial support of the school, reorganization of attendance centers, updating educational programs, and the maintenance and repair of facilities.

Treasurer O.E. Baugher

# SUPERINTENDENT

Mr. Seng has been the superintendent of Windsor High School District, Unit #1, for three years. He served as principal for fourteen years and as a teacher for twenty-four. Mr. Seng graduated from the University of Ill. with a Bachelor of Arts degree and later received his Master's there. Mr. Seng is also the President of the National Trail Conference.

Mr. Seng advises the school board on school matters and is responsible for the implementing of school policy. He coordinates the school system, providing education for the students of the community.

Mr. Tucker has been the principal of Windsor High School for three years. He graduated from Eastern Illinois University in 1969 with a Bachelor of Science degree in Education. In 1973, he received his educational Administrative certificate from I.S.U.

Mr. Tucker's primary responsibility is to insure the best possible learning opportunity for the students and create an educational atmosphere for the faculty and the staff that will make those educational opportunities a reality.

Mr. Tucker has helped to establish a harmony that is unique for a high school. This rapport is a strong point of W.H.S. and is one that the school and community can take pride in.

When a houseful of sweet, pixilated little old ladies discover that a handsome bachelor lives across the street, and then find out that he is none other than Detective Dennis O'Finn of Homicide—how do they attract his attention? By homicide, of course. And a nice, genteel cup of tea is the murder weapon. When O'Finn arrives to investigate the crime, he turns out to be even more handsome and charming than they ever dreamed. Then when he doesn't stop by quite every day, how do they keep his interest? With another murder, naturally. When a brash young girl reporter begins to suspect the real situation, she becomes the next target. Poor O'Finn is terribly embarrassed when at last he discovers that he himself is the motive for these zany doings. In desperation he manages to solve the case. But the dear old ladies are too fond of him, and in the end they turn the tables on him!

Our Director, Mrs. Keller.

# SENIOR TRIP

On April 28 at 4:00 in the morning, the seniors loaded up the chartered bus and headed out on the senior trip.

Our destination was Kalfan Lodge at Lake of the Ozarks, Missouri. Despite chilly weather some brave souls dived into the pool, but some like Mrs. Lindberg went in by surprise.

Everyone had a great time boating, swimming, playing ping pong and deck tennis, riding go-carts and dancing! And of course, we can't tell ALL... Right??

Oh, my Mom fixed peanut butter!

Man, what a beifer!

Ding Dong, the witch is wet!

I hope my nose gets a tan.

And the next Mr. Universe is ...?

It's been a hard day's night.
