Our Year with the Student Body-by Robin Hampton

The members of Student Council led our school through many exciting activities this past year. We sponsored a successful chili supper for the first

home basketball game. Homecoming, Student Council's main activity, also proved to be quite exciting. Some activities that were held in honor of Homecoming Week were: class hall decorating, the traditional banners, a pep assembly, and a bonfire. The

Homecoming dance turned out to be a success. The theme was "Hysteria" by Def Leppard, and the colors were black, red, and silver. We would like to thank all those who participated in the activities to help make this school year memorable.

The Year in FHA-by Robin Hampton

The members of the FHA have had quite a busy year. We attended many conventions, including the Section

Rally in Decatur. That rally was exciting because of a speech on drug abuse that was given by Deana Requarth from Cerro Gordo. We held the annual weiner roast at Hidden Springs. We had a scavenger hunt,

and we played on the playground equipment. The Senior officers attended a Region Rally in Champaign. All members attended the State Rally that was held in Springfield.

Our Band-by: Mark Laidley

This year the band was small, but with talented individuals their performances were inspiring as well as entertaining. The Windsor band sold fruit to raise money for their ex-

penses.

They wish to thank everyone who has helped the band. Several of the band members completed in the IMEA Contest and the SCIBDA Band in Ef-

fingham. They also took the talented 5th and 6th graders from the Elementary Band and performed a Christmas Concert on the 12th of December.

The Year in Espanol-by: Becky Domzalski

The Year in Espanol (Spanish). The study of Spanish is very exciting. We

have learned hablar espanol, which is to speak Spanish. We went to Jacksonville to watch a play. The play was very exciting. We all enjoyed the performance. Adios to the Senior Class. I

hope everyone takes the opportunity to study Espanol and learn about the wonderful Latin culture.

Bottom row: Secretary Jennifer Robinson, Reporter Heather Hampton, President Doug Welsh, Treasurer Martha King, Vice-President Jennifer Bennett, Historian Kevin Keck, Advisor Glenn Sims.

This year two of our members, Jennifer Bennett and Jennifer Robinson, received the State FFA Degree. This is a special honor considering that only two percent of the total membership receive this degree.

Our members participated in eight different contests. The soil judging team attended the Moultrie County, Shelby County, and Section 19 contests. At the Section 19 contest Martha King placed individually. Our horse judging team For Reasons placed fourth at state. Jennifer Robinson placed fifth individually and Nikki Stivers placed ninth. At the Section grain judging contest the team placed second, along with Jennifer Bennett and Heather Hampton placing individually. Heather Hampton and Laura Dunn placed first in the public speaking contest. Martha King placed second. Heather and Martha advanced to District competition. Other contests participated in were Greenhand Bowl, Poultry Judging, Dairy Judging and Livestock Judging.

Our members were also involved in many activities. The activities include the Farm Progress Show, State and National Convention, and a trip to Bennett Grain. Our FFA float won the Harvest Picnic parade award, which was a community activity. We also helped in redoing the grade around the new gym, and making the Welcome to Windsor signs.

This year has been a good year for the FFA. We met new friends, got better acquainted with old friends, and learned leadership and responsibility.

The Year in Reading

This year there was an abundance of people who worked as librarians. During National Library Week we held a book fair for everyone in the school. We had a pizza party for the first semester students at Christmas. We also had a pizza party for the second semester students at the end of the year. We went on a field trip to the Lakeland College library. It was a good year for the librarians.

We, the editors, would like to thank the staff for their cooperation and all of the hard work that they provided us with. We would also like to thank our advisor, Mrs. Rosine, for all of the time and patience she has given. Without the cooperation of all the workers, this yearbook would not have been possible. Due to circumstances beyond our control, there are no snap shots of our baseball team, and very few of the volleyball team either. On behalf of our photographer, we apologize. We hope that you like the changes we have made in the yearbook. To next year's editors, whoever you may be, GOOD LUCK!!

Homecoming 1988 was a great success. The theme for this year's dance was "Hysteria" by DEF LEPPARD. Homecoming candidates for king were Jim Hutchinson, J.R. Curry, and Ryan Baugher. Queen candidates were Robin Hampton, Jennifer Robinson, and Jennifer Bennett. The attendants were Amy Sinkler-freshman, Becky Domzalski-Sophomore, and Wendy Hester-Junior. Coronation was at nine, and J.R. Curry, and Jennifer Bennett were crowned king and queen. Due to a mix-up, our theme song was not played for the coronation dance, but we all survived that little mishap. We were fortunate enough to have slow songs for the last twenty minutes of the dance.

Our Season; By: Jim Hutchinson

The Windsor High School boys fall baseball team had a very successful season under a new head coach, Jim Archer, of Louisville. During the season the team finished 2nd in their own tournament. In the Windsor Invitational, Windsor was beaten in the championship game by the Dieterich Maroons. The Blue Devils squad also tied a school record for the most wins in a single season with a record of 8 wins and 8 losses. Two of the team members Junior Eric Brandenburg and Sophomore Quinn Bennett were selected for All-Conference honors.

The Lady Blue Devils enjoyed a successful year in '88. The Varsity, having a record of 24-8 at the close of the season, the regional championship against Casey, gave the team and the school something to be proud of. During the season Windsor came out on top over Lovington at their Invitational Tournament, earned 1st for the second year at the Pana Invitational, placed third in the conference, and third at the Raymond-Lincolnwood Invitational tournament. In addition to the teams wins came the nomination of several members to the All Conference team and Raymond-Lincolnwood Tournament Team.

The Junior Varsity also had a winning season. Going into the Tower Hill Invitational Tournament their record was 12-1. The J.V. team ended up with a 14-2 record and 3rd place in the tournament.

Windsor High School's Boys' Basketball program is a very productive one. However, it may not seem like it was productive due to our season record. This season our varsity squad, coached by Mr. Jim Archer, had a 5-19 record, but we accomplished a lot. Our top eight players were: Seniors Jim Hutchinson and JR Curry; Juniors Eric Brandenburg, Ken Kingery and Adam Mathias; Sophomores Sean Hancock and Quinn Bennett, and Freshman Brian Lee. All shared playing time. Several underclassmen should be a big help in future seasons.

The highlight of the season was when the squad won our own Homecoming game by a 26 point margin over the Stew-Stras Comets.

All the players would like to thank Coach Jim Archer for his contributions during the season.

Our spirit of WHS; By: Michelle Eident

Our cheerleading squad had a very active and exciting year.

They attended an International Cheerleading Foundation summer camp at Eastern Illinois University. The squad won third place overall in the large varsity division and were invited to the National Competition in Nashville, Tennessee. They also won ribbons for outstanding improvements, sparkle and shine, home cheer, cheer execution, creativity, and gymnastics. The varsity squad competed at the Illinois State Fair. The cheerleaders also held an area elementary and junior high cheerleading clinic in September. The squad was very busy all year with the use of spirit-raising ideas at pep assemblies and games. The squad really appreciates all the help Miss Alde provided.

Scholastic Bowl:

This year has been a lot of fun in Scholastic Bowl. Many people think it is all answering questions and that you have to be smart to be in it. That is not true. (look at the people who are in it). We have met people that have become our friends. We do answer questions from all kinds of categories. You hear a lot of crazy answers.

We have a fall season and a spring season. In October we went to Eastern Illinois University and were televised playing against St. Anthony. We lost that one, but we tried. Everyone had a good time. At the end of our fall season we were three and nine.

In January, we resumed and started our spring season in a tournament at Lake Land

College in Mattoon. In the first game, we beat Dietrich (yea!). After that first win, we lost four other games (hey, you can't win them all). Some of the games were very close and others??

One of our players, Barak Taylor, could get all-conference and a trophy. We all wish him the best of luck (yes, we really do). We'll find out at the varsity tournament. At the end of our season, Miss Kearns (our advisor) will take us out for pizza, maybe hopefully, PLEASE!!

Our record, so far, is four and nine. Hopefully, we can win some more as the season goes on. But one thing is for sure, we will have fun!

Life of George Washington

George Washington was born on February 22, 1732, in Westmoreland County, Virginia. He was the second of eleven children of Augustine Washington, a planter and a member of the House of Burgesses, and Mary Ball Washington. As a young man, Washington was educated at the College of William and Mary in Williamsburg, Virginia, where he studied law and military science. He was also a member of the Masonic Lodge and the Order of the Knights of the Temple of Solomon.

Washington's military career began in 1752 when he was appointed as a captain in the Virginia militia. He served in the French and Indian War, where he distinguished himself as a brave and capable leader. In 1755, he was promoted to the rank of major and commanded a regiment of Virginia militia. He was wounded in the Battle of the Clouds, but he continued to fight and was eventually promoted to the rank of lieutenant colonel.

In 1758, Washington was promoted to the rank of colonel and commanded the Virginia militia in the Battle of Red Bank. He was again wounded, but he continued to fight and was eventually promoted to the rank of major general. In 1759, he was promoted to the rank of lieutenant general and commanded the Virginia militia in the Battle of the Clouds. He was again wounded, but he continued to fight and was eventually promoted to the rank of full general.

Washington's military career continued to rise as he led the Continental Army during the American Revolutionary War. He was appointed as the commander of the Continental Army in 1775 and led the army through the Battle of the Clouds, the Battle of the Clouds, and the Battle of the Clouds. He was again wounded, but he continued to fight and was eventually promoted to the rank of full general.

Washington's military career ended in 1783 when he was appointed as the commander of the Virginia militia. He served in the French and Indian War, where he distinguished himself as a brave and capable leader. In 1755, he was promoted to the rank of major and commanded a regiment of Virginia militia. He was wounded in the Battle of the Clouds, but he continued to fight and was eventually promoted to the rank of lieutenant colonel.
